7 Madison Burglaries Solved By Confession

Venice Man Relates Breaking Into Homes During Recent Weeks

Three weeks of police surveillance in the Madison residential area resulted in the arrest Monday of a Venice man who has admitted seven house burglaries.

Latest of the break-ins occurred Monday at the residence of Mr. and Mrs. David Wilson, 1218 (rear) Iowa street, and it was decided to question Henry Louis Odum, 31, of 196 Viola Jones homes because he was away from his apartment at the time. His confession followed, and he was bound over to the county grand jury on burglary charges Tuesday.

Noting that his officers had given up all "days off" and worked many double shifts while trying to solve the series of burglaries, Madison Police Chief Stanley Wojcik praised the work of Venice and Granite City police and the sheriff and his deputies.

While the closing stages of the intensive investigation were not outlined in detail, it was indicated that stakeholders by Madison and Venice officers had developed information pointing to Odum as the leading suspect.

He listed the homes he had entered and then pointed them out to Madison police. He was next taken before Police Magistrate John Brinkman, who held a preliminary hearing and was taken to the county jail yesterday upon failing to post \$7500 bond.

List Of Victims
Homes looted and the amounts of money taken are as follows: Mr. and Mrs. Floyd Lassen, 1822 Fourth street, Madison, \$18, Sept. 16; Mr. and Mrs. Marvin Coppen, 1673 Third street, \$22, Sept. 17; Frank Bury, 1047 Washington avenue, \$20, Sept. 21; Mrs. Mary Gavel, 1811 Washington avenue, \$65, Aug. 26 and another \$8 on Sept. 22; Mr. and Mrs. Lee McFallen, 1315 Eighth street, \$18, Sept. 29; and the Wilson residence, \$66 on Monday.

The \$66 taken in the latest burglary was recovered, along with a screwdriver and scissors used to gain entry.

The other money had been spent by Odum, who had a wife and five children aged two to nine. He has received state aid since being laid off in August as an orderly at the Burns Hospital, and since being laid off in August as a previous Madison burglary, and that he has been under psychiatric treatment this year.

Man Loses Wallet, \$500
Robert Teller, 2430 Bryan avenue, reported to Granite City police at 9:30 a.m. Thursday that several days ago he had lost his wallet containing more than \$500 in cash in the downtown area.

Dal Maxvill Will Speak At UF 'Blast Off'

Dal Maxvill, Granite City's contribution to the St. Louis baseball Cardinals, will be the speaker at next Tuesday's "blast off" banquet for the Tri-Cities United Fund \$12,213 campaign. The banquet for all campaign workers, United Fund board members and personnel of the participating agencies and their families, will be at 6:30 p.m. Tuesday in the YMCA.

Maxvill, a native Granite Cityan, will relate his pro baseball experiences. He was graduated from Granite City high school in 1953.

FEATURED SPEAKER at the Tri-Cities United Fund's 1964 campaign-opening banquet next Tuesday night will be major leaguer Dal Maxvill, a Granite Cityan.

GC City Court To Be Used In Circuit

Judge Monroe Clears Questions In Circuit, Magistrate Operations

City court facilities at Granite City and Alton will be used as an integral part of the new judicial system in Madison county, Chief Circuit Judge James O. Monroe said yesterday at Edwardsville.

At a special press conference called to review progress in the development of the new court system, Judge Monroe said there will be more unified trial work than currently under the separate city court system.

"We still haven't determined on what basis city courts will operate," Monroe said, adding that "we will use those trial facilities to the maximum. It also will permit us to use our judicial manpower to the maximum."

Judge Monroe noted that currently there are four courtrooms in the county courthouse, two of which are to be turned over to the city courts for jury and administrative work, leaving three at the courthouse and the two city courts for jury and non-jury settings. The court will have seven circuit and associate circuit judges.

Missinterpret Remarks

The chief judge said some confusion had arisen over the use of the city courts when a few attorneys at a Tri-City Bar Association meeting may have misinterpreted remarks made by Granite City Judge Fred Schuman and others.

"I would be not an associate judge or if he would enter private practice," Monroe explained. "This may have led some to feel that if he did not continue as a judge, there could be no more court." He said Schuman currently plans to continue as an associate judge.

Judge Monroe also attempted to settle some confusion involving magistrates. He said the (Continued on page 3, Col. 1)

Traffic Fatality Road Construction Worker Sweeping Curb Hit, Killed

A Staunton, Ill., construction worker who was hit by a car at 3:10 p.m. Monday on State Route 157 south of Edwardsville, died about 7:20 p.m. Tuesday at St. Elizabeth Hospital.

He suffered compound fractures of his left arm and leg. The leg was amputated. An inquest will be held in Granite City.

Two Children Hurt
The children were injured and admitted to St. Elizabeth Hospital when a car driven by their mother, Mrs. Phyllis J. Husey, 222 Collinsville, struck a car owned by James L. Reber, 58 of 2708 Grand avenue, as it turned in front of his home at 10:35 p.m. yesterday.

The children are Randy Heuser, two, who suffered a concussion to his nose, and Richard Allen Heuser, three, whose injuries included skull abrasions. The hospital reported they were in fair condition. Their mother's car was damaged. Mrs. Heuser was charged with careless driving.

Pedestrian Hit
Fred Hall, 2111 Washington avenue, was struck at 8:30 p.m. yesterday by a car driven by George R. Keckler, 32, of Cardington, O., who told police the pedestrian was crossing the street when he made a stop and was making a left turn at 21st street and Washington avenue.

He said Hall refused medical attention. James Morgan, 30, of Rural Road Two, Collinsville, was treated at St. Elizabeth's Hospital for a right shoulder injury sustained in an automobile accident. He was released. Area police authorities had no report of the accident.

Undergo Surgery At St. Elizabeth Hospital

The following are recovering at St. Elizabeth Hospital from injuries they underwent this week:

Geneva Mathias, 2028 Wabash street, Henrietta Spence, 2821 Sunnyside, Sally Adams, 2233 Benton street, Nancy Jackson, 2310 Washington street, Julia Kackley, 714 Third street, Venice; Marjorie Walker, 2009 East 20th street; Richard Lee, 2548 Strouford lane; John Philib, 1610 Maple street; Albert Montague, St. Louis; Lucy Welch, 2535 East 23rd street; James Bolinger, East St. Louis; Myrtle Clark, 2804 Decwood drive; James Meyers, 3132 Ash street.

65 Strive For Learning In Venice GED Classes

About 65 serious-minded adults are taking careful aim these days at the police shooting range in the basement of the new Venice City Garage.

But the weapons are brains instead of revolvers and the targets are better jobs and possibly opportunities to attend college.

People from all walks of life are participating in refresher courses to prepare them for the General Education Development test. A passing grade will earn them a high school equivalency certificate.

The program is under the direction of Madison county's Department of Public Aid and it's all free.

Teachers are donating their time and the Roxana school district supplies the books. Also lending invaluable aid are Venice Mayor John E. Lee and School Supt. John O. Pier.

"This is strictly a community project," emphasized Miss Hatie Byrd of Alton, Department of Public Aid employee who directs the program.

The response, she said, has been very gratifying.

Overflow Of
"We set up these classes for 20 people. But now we have 28 in the day class and 37 at night and there are more than 40 other applicants we just couldn't handle right now," Miss Byrd explained.

She said the Granite City office of the Illinois State Employment Service screened the applicants to determine those who possessed the greatest ability to learn.

The day class meets five days a week from 8:30 to 3 p.m.; the night class meets from 7 to 10 p.m. Monday through Wednesday. Because of shorter sessions, the night class session will run eight weeks—two weeks longer than the day schedule.

The GED tests will be administered by Madison County Supt. Valour Truitt.

The GED program began after World War II, designed primarily for veterans who had their high school educations interrupted by the war. It has since developed to include everyone interested who shows an ability to learn.

A person must be over 21 years of age to receive a certificate. Those under 21 may enroll. Although the classes are free, there is a \$5 charge for the test and \$5 more for the certificate.

Miss Byrd explained that the certificates help many to hold their jobs in a time when requirements are ever shifting. An incidental benefit is the county's—those who hold jobs are thus diverted from the relief rolls.

Tri-City Port Lease At Harbor Being Expanded

Completion of a lease for an additional 1128 feet of frontage on the Chain of Rocks canal harbor by the Tri-City Regional Port Authority is near. It was announced today by Commissioner John Barron, manager of the Tri-City Port. The new lease will cover 428 feet of the harbor.

Barron said the Authority's lease with the U. S. Army Corps of Engineers is being expanded to include all of the mile-long Port area not now occupied by the Bi-State Development Agency, which currently is in an expansion program.

With the additional 1128 feet, the Port Authority also is leasing the area of the harbor site extending back from the water front to the east levee. The lease costs are \$5 a front foot and \$125 an acre each year and will amount to \$34,500.

Barron indicated progress is being made in the development of the Tri-City Port, and that an announcement will be made in the near future.

Capt. Toffant Says 'Shots' At Daughter Not Deliberate

Reports of two shots fired late Monday afternoon at a car driven by Emily Toffant, 17-year-old daughter of State Police Capt. and Mrs. Emil J. Toffant of Madison, apparently were false alarms, it was learned after an investigation, Capt. Toffant told the Press-Record.

Miss Toffant said she heard a shot strike the right rear of the car at 4:20 p.m., while she was driving on the McKinley Bridge. She was accompanied by Barbara Buley, 17, both girls are Madison high school students.

She said she heard what sounded like another gunshot at 6:30 p.m. in Madison as she was returning home from St. Louis. She was a few blocks away from home.

Stray Pellet Or Slug
Investigators said the hole in the car apparently was caused by a stray pellet or shot from a rifle, perhaps fired by youngsters climbing on pigeons near or on the bridge.

The second "shot," heard near a service station, may have been the result of an automobile. Capt. Toffant said it was not settled as to what caused the hole in his personal car, but he is certain it was a stray shot and that no one fired at the car.

There had been some concern over the report as Capt. Toffant, commander of the State Police District 1 since November, 1960, has clamped down on underworld activities in the 10-county district.

The appointment of Beatty for the bond attorney post by resolution. It was opposed by two council members of the Chicago Police Commission, Chairman Alderman Charles W. McMorris and Alderman William D. Daley, who was present earlier. Half for work before the votes were taken.

The third member of the committee, Alderman William McGee, qualified his vote of approval, as did Alderman Donald Partney.

They said their votes depended on a legal opinion from City Attorney George A. Moellenbrock, who challenged the legality of the council's action at the Sept. 26 session, naming that his resolution, naming Horace Calvo to the post failed to gain sufficient voice approval. He was on vacation and (Continued on page 8, Col. 6)

Vanishing House May Spoil Firemen's Fun

Venice firemen will burn down a house Saturday if the lease is still there, that is. Fire Chief Mike Leatherman has planned a public fire fighting demonstration for 1 p.m. Saturday in connection with Fire Prevention Week now in progress.

Target of the torch is a house at Klein and Brown streets—a site recently purchased by the city for a new fire station. However, Leatherman said, persons unknown have been stripping nearly everything from the building.

"I don't know if there'll be anything left or not," he said. "I drove by there Monday and the whole north side was gone."

A. L. 'Pete' Metcalf Suffers Heart Attack

Arthur L. "Pete" Metcalf, promoted to assistant postmaster for Granite City two weeks ago, is recuperating at St. Elizabeth Hospital from a heart attack suffered as he reported for work at the main post office about 8 a.m. Tuesday.

Metcalf, who succeeded Edward Meng as assistant postmaster when Meng resigned, complained to fellow employees of pains in his shoulder and chest as he reached the post office at 8 a.m. Tuesday.

The pains became progressively worse and an ambulance was called. Tests at the hospital showed a mild heart attack with "not too much" damage, a post office spokesman said this morning.

Granite City Postmaster Theodore Overbeck is attending a convention in Hawaii and is not expected to return here until next Friday.

Meng, who is using up accumulated sick leave prior to his formal retirement, was called to the post office Tuesday to open the safe for the day's business.

Speeds At 30th-Madison
Anthony Caribbiches, 33, of 1900 Spruce street, was arrested at 6:40 a.m. today by Granite City police on a charge of speeding at 30th street and Madison avenue.

Mrs. W. A. Baur Dies In North Hollywood

Mrs. W. A. (Lulu) Baur, 72, a former Granite City resident, died of a cerebral hemorrhage at noon yesterday in the Vineland Convalescent Hospital in North Hollywood, Calif.

Mrs. Baur lived in Granite City 45 years before moving to live with a son, Walter E. Houston, eight years ago in North Hollywood. She was born in East St. Louis. In Granite City, she was a member of the St. Peter & R. Church and the Afternoon Women's Guild.

Survivors include two sons, Walter E. Houston, North Hollywood, and Bert D. Houston of Florissant, Mo.; five grandchildren and four great-grandchildren.

Funeral services are in today's obituary column.

Fire, Water Damage Stock At Pace Hardware

A couch on the second floor of the A. F. Pace hardware store at 158 Broadway, burned and water dropping to the first floor damaged some of the stock in a fire at about 11 a.m. today.

The Venice volunteer fire department responded to the alarm. The fire apparently was caused by a cigarette. No estimate of damage has been made.

The best wool from sheep comes from the shoulders and sides.

Man, 23, Kills Self With Gun In Venice Home

A verdict of suicide was returned this morning at an inquest of Thomas Suddeth, 23, who was found shot about 4:30 p.m. yesterday in a bedroom at 902a Main street, Venice. Deputy Coroner Francis Lahey conducted the inquest.

Mr. Suddeth was living with the Melton Johnson family at that address. A double-barreled shotgun with one spent shell was found at his side.

Venice police said Melton Johnson's son, Paul D. Johnson and his wife, Patricia, drove up a squad car at Fourth street and Broadway shortly after 4:30 p.m. and reported the shooting.

Suddeth was found with a gunshot wound to the head and was pronounced dead at the scene by Deputy Coroner Henry Pieper. Police said no traces were found.

Lived Three Weeks
The Johnsons told police Suddeth had been living with them for three weeks. They said they left him about 1:30 p.m. to visit a relative in Granite City and that Suddeth said he was going home and would be back in three weeks.

Paul D. Johnson informed the Press-Record that Mr. Suddeth told him his wife, Patricia, and Nancy Reese of Granite City, had initiated a divorce suit against him. Johnson said he had taken Mr. Suddeth to visit his wife yesterday morning in a St. Louis hospital where she had been confined to bed.

Melton Johnson, who was at work at the time of the shooting, said in a statement to police that Mr. Suddeth always seemed worried, "walking from one side of the room to the other." He said the shotgun belonged to him (Johnson) and was kept in the bedroom.

Paul D. Johnson said he and Suddeth, who was unemployed, had come to California recently in an unsuccessful try to find work. They returned about three weeks ago.

He said survivors include the father and step-mother, Mr. and Mrs. Clarence Suddeth of 2522 Adams street; a brother, Charles Suddeth of Madison, and a sister, Miss Ethel Suddeth of Chicago, Ill. The parents could not be reached.

The body will be taken to a funeral home in Ottin, Ill.

Andrew Modrusic, 53, Dies Suddenly

Andrew Modrusic, 53, a crane operator at American Steel Foundries, died unexpectedly at 3:45 a.m. today at his home, 945 Madison avenue in Madison.

Apparent cause of death was a heart ailment. A coroner's inquest will be held.

Mr. Modrusic was born in St. Louis and lived in Granite City 31 years. He was employed by American Steel 24 years.

He was a member of St. Mary's Catholic Church, United Steelworkers Local 1063 and Lodge 222, Croatian Fraternal Union.

Survivors include his wife, Mary; four sons, Jerry Modrusic, Granite City; Anthony Modrusic, Nicholas Modrusic and Richard Modrusic, all of Madison; two sisters, Mrs. Sam (Frances) Natch, Granite City, and Mrs. Katherine Schimmer, St. Louis; and two brothers, Nick Modrusic and John Modrusic, both of Madison.

Funeral arrangements are in today's obituary column.

GC Woman, 70, Attempts Suicide While At Home

Mrs. Mamie Kohlbrecher, 70, of 2225 State street, attempted to commit suicide Monday afternoon by taking an underdosed amount of pills and was taken to St. Elizabeth Hospital and is in serious condition, according to a police report.

She was found on her living room couch by a neighbor who called an ambulance. An incomplete suicide note written on a scrap of paper was found. Mrs. Kohlbrecher is a widow.

Parked Car Struck, Owner Follows Driver

State B&PW Club President Visits Granite City Today

Observing National Business & Professional Women's Week, the state B&PW president, Mrs. Mary Lou Koonce, visited Granite City this morning and presented with a "key to the city" by Mayor Davis.

The short ceremony during brief stop by the state B&PW president was due to her "meet the member" motivation, which was at the Illinois Power office auditorium with Miss L. Lane, home economist, B&PW member as hostess.

Mrs. Koonce and other state officers in her group also were greeted by Mrs. Verneice Workman, president, and a delegation of the Granite City B&PW.

Coffee and cake were served.

With Mrs. Koonce were Mrs. Marion Hurrely, state secretary, Miss A. Zola Groves, editor of the Illinois Bulletin, and Mrs. Phyllis Wyckoff, state public relations chairman.

The week's observance here will close with a breakfast Sunday in the home of Mrs. Workman.

Mrs. Harper Stricken, Expires At Hospital

Mrs. Ralph "Buster" Edible Harper, 41, of 1703 Bremen avenue, died unexpectedly at 10:30 p.m. yesterday at St. Elizabeth Hospital.

She had been a patient hours after being stricken at her home. An inquiry will be held to determine cause of death.

Born in Cleveland, O., she lived in Granite City 40 years.

Survivors include her husband, a daughter, Elaine C. Harper, and two sons, James Richard, student at Southern Illinois University, Carbondale, and Patrick, nine; a daughter, Miss Jack (Wilda) Fensterman, 10; and three brothers, Clive, Melvin, Loren McGee, and Lloyd McGee, all of Granite City.

Services are given in today's obituary section.

Plans are related to establishment of an engineering and aviation centers in the St. Louis area. Dr. Kaiser explained. The engineering center to coordinate operations currently conducted in St. Louis, Columbus, Chicago and the state of Virginia.

Begin This Year
Nine hundred Missouri civil service employees will be asked to relocate, and the Granite City High School said last month that 300 to 500 may be assigned here. Transfers will begin in late 1963, with the Ohio-based big vacated entirely in late 1964.

A superintendent gave the school board a detailed report on the size of present Granite City classes, and it was noted that purchase of new school buses is included in the 1963-64 budget.

A discussion brought out that both Father John high school and Lake grade school are designed for future classroom additions, and it was indicated that provision of additional buses at Granite City high school also may be necessary in future years.

A formal report is being prepared by Dr. Kaiser on areas needing new schools or rooms at the appropriate timetable.

New Insurance Program

School insurance again was thoroughly reviewed, with the board voting on a motion by Monroe Worthen, and second by Donald Billard to have its administrative staff prepare a revised program, subject to final board approval. Excluded at this time was fire and extended insurance, written by insurance change members, now in the third year of five-year policies.

The new approach is to include filing of insurance bids in consultation with the exchange. Bids are to be opened and tabulated by the school district and referred to the exchange for recommendations on awards to be made by the school board agents who pay taxes in the district, on either homes or offices, are to receive bid forms.

Member Robert Spang, who noted that he is associated with a mutual firm rather than a stock company, promised coverage, claim service, statistical analyses and advice provided by stock firms of the exchange. He stressed that potential yearly refunds in the form of mutual company dividends are the only factor meriting consideration. School Attorney Maurice Daily outlined services being performed by the exchange.

Parked Car Damaged

An auto which struck a parked car at 2456 Benton street, and then left the scene at 12:15 a.m. Wednesday was followed by the owner, Tom Murray of the Benton street address, to a house on Roberts avenue behind the Canal Motel.

He described the driver as a woman about 26 years of age who refused to give her name and then denied hitting anybody. A police report stated the auto was owned by a resident of Rural Route One, and that both cars were considerably damaged.

Walter Reutzel Dies Of Heart Condition

Walter Frederick Reutzel, 69, proprietor of the Reutzel Excavating & Trucking Co., died of a heart condition at 3:15 a.m. today at St. Elizabeth Hospital where he had been a patient one week.

Mr. Reutzel, who lived at 2412 Pontoon road, had been ill four years.

Born in Allegheny county, Pa., he lived in Millville, Pa., before moving here in 1930. He was a member of St. John's United Church of Christ and Teamsters & Chauffeurs Local 525.

Survivors include a daughter, Mrs. George (Bertha) Meyer, and a son, Harold J. C. Reutzel, both of Granite City. Funeral services are in today's obituary section.

Man Hospitalized, Two Arrested After Fight

Fighting and peace disturbance charges were filed by Madison police against Erno F. Orvonen, 21, of 2806 Madison avenue, and Jerry Baucus, 28, of 2118 Benton street after a fight outside Johnny Lewis' tavern, Fourth street and Madison avenue, 7:11:30 p.m. Monday. Jerry Winchester, 31, of 2155 (rear) Madison avenue, was treated at the Missouri Pacific Hospital Monday night and Tuesday for a blow on the head and forehead cuts requiring sutures.

No charge was filed against Winchester, and the two boys' names were set for Saturday. A fourth man is being sought. The dispute began during a post game in the tavern.

Levi Lipscomb Dies After 4-Year Illness

Levi Everett Lipscomb, 77, of 1817 Third street, Madison, died at 8:10 p.m. Monday after an illness of four years. He was at St. Elizabeth Hospital two days.

A Madison resident 45 years, he had retired five years ago as an employee of Laclede Steel Co. Mr. Lipscomb was born in Wolke, Ill.

In Madison, he was a member of the Old Fellows and the Presbyterian Church. Survivors include a son, Elmer Lipscomb, Gil Harbor, Wash., a daughter, Mrs. Paul (Olive) Bargiel, Madison; three stepchildren, Mrs. (Cleta) Carl of Belleville, Ill., Mrs. James (Glendora) Bauer, Prospect Park, Ia., and Wilfred Stein, Madison; a sister, Mrs. Rene Benjamin, Council Bluffs, Ia.; two brothers, William Lipscomb, Wood River, Mo.; Joseph Lipscomb, Petal, Mo.; 14 grandchildren and 12 great-grandchildren.

Funeral services are listed in today's obituary column.

Two GC Men Charged For Beating Bartender

Fred Ray, 56, and Jimmie Ray, 23, both of 2504 Denver street, were released on property bond Monday by Police Magistrate Gasparovic pending a hearing. They were charged with battery in a warrant signed by Edward Dunham, 31, of 2504 West 20th street, a bartender at Gate tavern, 1909 State street.

Dunham, who was attacked by two men at 12:45 a.m. Saturday at the tavern following an argument, was given emergency care at St. Elizabeth Hospital.

State To Install Large Flasher Light On 20th St.

Installation of a 12-inch amber flashing light on 20th street at the Granite City Steel Co. employees' entrance near Nash street will be made by the state highway department as a pedestrian safety measure.

The decision by the state was explained to Granite City council members Monday night by Alderman G. H. Sternberg, chairman of the Street committee, who said he had attended a conference with officials of the highway department and Granite City Steel Co.

"We know it's not foolproof, but it is a step in the right direction," Sternberg pointed out, when protests were raised by Aldermen Casner Skubish and Clyde Boyd, both employees at the plant. Boyd said the unions, because of the recent fatalities, were seeking a pedestrian-activated light.

The larger light will replace smaller, four-inch lights now in operation. Sternberg said adding that the state officials would not approve a red signal light or a red flasher light is recommended by the plant officials.

They thought it might result in a vehicle stopping on the railroad tracks on either side of the crosswalk and being hit by a train or a crane.

The city is to paint crosswalk stripes.

Opposing the flashing amber light were Aldermen Skubish, Boyd and Moerlein.

Wife Operates Tavern

Legal Status Of Alderman Wm. Dallas Is Challenged

A legal opinion was requested Monday night by Alderman Mrs. Gabrielle Bettencourt on the legality of First Ward Alderman William Dallas continuing in office while his wife operates a tavern.

A liquor bond for Mrs. Irene Dallas to operate a tavern at 1810 Omaha street was among six presented to the council Monday night for approval.

When asked by Mrs. Bettencourt, Dallas said the bond was for his wife.

Alderman Steve Barsker made the initial challenge, pointing the city code. He read from the chapter dealing with alcoholic liquor dealer restrictions, section 14, which states—

Girl Scout Leader Aid Course Starts Oct. 23

Registrations for a Girl Scout leaders' standard Red Cross first aid course are being accepted by Mrs. Betty Roe, 3214 W. 11th drive. The registration deadline is Oct. 18 for the course to begin Oct. 23.

The five-session course will be held on Wednesdays at St. John United Church of Christ, Nameless road, with Mrs. Cecilia Traub, Red Cross instructor, in charge. The classes will be held from 1 to 3 p.m. on the five Wednesdays.

The course is open to all Quad-City area Girl Scout leaders under the program of the River Bluffs Girl Scout Council.

Such Plans Plan SIU Homecoming Next Week

Louis A. Such of Granite City is co-chairman of a committee for the election, coronation and reception of a queen of Southern Illinois University's fourth annual homecoming which will be launched at an outdoor rally next Wednesday.

The event also includes a traditional stage show, a parade, dance, concert and a football game on Saturday with Northern Michigan University.

21st-Madison Accident

Auto driven by Marian Sparks, 23, of 2303 Grand avenue, Charles Papp, 46, of 2303 Grand avenue, were involved in an accident Saturday at 3:55 p.m. Monday at 21st street and Madison avenue.

Light Increase In GC Twp. Relief

A slight increase in relief cases in Granite City township was reported for September at the office of Supervisor Nelson Lignauer.

The 98 cases with 313 persons and 453 cases with 1,212 individuals and costs of \$201.

Total relief costs for the year which started last March, now amount to \$57,673, compared to \$48,643 for the same period in 1962.

Relief totals in September 1962 were 139 cases with 420 persons and costs of \$8642.

Last month the office handled 33 new or reopened cases and closed 30.

\$800 Profit From Mitchell Festival

A profit of about \$800 from the annual fall festival of the Mitchell Park Athletic Association was reported Tuesday evening during a meeting of the association.

The festival was held Sept. 21 and funds will be used to carry out athletic and recreational activities for Mitchell youngsters. The association co-sponsors the minor baseball teams and other activities.

Truck, Auto Collide

A traffic accident at Third street and Cambridge avenue Monday damaged the right side of the southbound pickup truck.

James McKeever, Florissant, Mo., and the front of the eastbound auto of John R. Cox, Apartment 62 Greiner Homes, Madison.

Council Delays Purchase Of Street Equipment

Demonstrations of street sweepers and heavy-duty night machines are to be viewed by the Street and Alley committee and other Granite City council members before action is taken on bids received for the two major items of equipment.

The council deferred action on the bids Monday night to await the outcome of the demonstrations, several of which will be given this week in the Collinsville area.

It also was brought up that Supt. of Streets William Warfield was unfamiliar with the low bid of the low bidder, Soehlig Equipment Co., Granite City. Warfield said he would view the machine, but that he was more familiar with other makes.

Alderman G. H. Sternberg recommended the council be purchased from Soehlig on his bid of \$9025, and that to pay for it over a three-year period would cost about 10 1/2% more.

Protest 3-Year Purchase

Protests were made by several aldermen who said they did not want to put the city into debt for purchase of equipment. Sternberg pointed out the city could halt the extra cost by paying the remainder of the price next year.

However, when it was decided that Supt. of Streets Warfield should see a demonstration first, Sternberg withdrew his motion for purchase and the matter went back to the council.

Consider Lease-Purchase Of Major Items

Consider lease-purchase of major items and that two would cost over \$18,000, Alderman Walter Norn said the city could use its sales tax reserve, if necessary, but no decision was made by the council pending the demonstrations.

City To Aid Lawyers' Effort To Expand Court Use Here

Efforts to keep the city court of Granite City in operation as a branch circuit court will be made by the city council at the request of the Tri-City Bar Association.

Mayor Davis at Monday night's meeting assigned the council to the Legislative committee, headed by Alderman Mrs. Gabrielle Bettencourt, the task of working with the Bar Association in planning a program to keep the city court in operation and possibly expand its use.

The request was submitted by Atty. Leo Konzen, president of the Tri-City Bar Association. He pointed out that under the new Judicial Articles, which become effective Jan. 1, the city courts here and in Alton could be eliminated.

Konzen said the Bar Association would meet with the council tomorrow to explain the new Judicial law in detail. The lawyers already have written to the Madison county circuit judges, Skubish.

Graduate Study Abroad Available Through SIU

Applications for graduate study or research abroad under the Fulbright-Hayes Act will be accepted until Oct. 15 by Fulbright advisor William F. Banaghan at Southern Illinois University, Quad-City-Edwardsville campus.

In addition to full grants providing round-trip transportation to any one of 51 countries, as well as tuition and maintenance, two other grant categories are available are joint U. S. and other government grants, and travel awards to supplement maintenance and tuition scholarships awarded by a university, private donor or foreign government.

Banaghan said general eligibility requirements include U. S. citizenship, bachelor's degree, equal in professional training, language ability in keeping with the demands of the proposed study project, and good health.

Preference is given to applicants under 30 years of age.

Application forms are available at Banaghan's office at Edwardsville.

Christian Church Plans Campaign Dinner

At a meeting of the Campaign Council of Central Christian Church this week, provided over by Edward Lurton, chairman, plans were made for a building fund drive which is to be held at the church Oct. 17.

The dinner is for those who will be assisting in the current campaign to underwrite the cost of a sanctuary unit to be added to the church in the near future. The climax of the drive will be Nov. 7-8 when Harold Watkins, pastor of the church, will be present at an all-day dinner meeting and will assist the workers in their task. It is estimated that the overall project will cost \$20,000.

GC Steel Co. Names Four To Product Manager Posts

Product managers for four of its major groups of flat rolled steel products were named today by Granite City Steel Co. Sales Vice-President John A. Leschen.

The appointments are in line with an intensified marketing program to assist in product planning aimed at anticipating changes in customer steel requirements, Leschen explained. John G. Quade, manager of the firm's sales office in Houston, Tex., will move here to become product manager of plates and hot rolled steel.

Steve C. Fitzgerald, Collinsville, will be product manager, cold rolled and will continue as sales supervisor for pig iron and cast chemicals of the blast furnace plant.

George C. Key, Edwardsville, formerly in the sales department, will be product manager, tin mill products; and William F. Hood, St. Louis, who has been sales office supervisor at the main office here, will be product manager, secondary.

All will work under Fred L. Rupp, recently promoted to product sales manager.

MORE ABOUT

GC City Court

(Continued from Page 1.)

rules for magistrate courts have not been completed, but a meeting will be held with magistrates and justices of the peace when more developments are completed.

According to new legislation, the local judicial circuit, which includes Bond county, will have four magistrates, though current police magistrates and JP's are authorized to complete their terms which expire in April 1965. Some may choose against completing their terms, he said. Harry Hartman, Granite City JP, recently told the Press-Record that he no longer would be a justice of the peace after the first of the year.

Magistrate Jurisdiction

Magistrate courts will have jurisdiction in cases up to \$300, up from the current \$100. Judge Monroe said, and will have authority in fields as contracts, torts, fraud, personal injury, forcible entry, detainer, division cases and others. Small claims may be processed in a "poor man's court" without formal pleadings. "We don't know yet what the monetary limit will be," he added, as no definition has been made on the term "small claims."

As to qualifications, he said in the future a magistrate must be an attorney unless there are none available in a county or unless he is a former justice of the peace or police magistrate. Under this rule, Magistrate Gasparovic would be qualified to continue to serve.

Provisions are being made for night traffic offenders, Judge Monroe said. Police officials who make an arrest may accept bail according to a schedule of bail for specific offenses, but only in a municipal or police building, with issuance of a receipt. The

offender may plead guilty before a deputy circuit clerk, he added, and a number of deputy circuit clerks could be appointed throughout the county.

Associate Judges

The chief judge added that circuit judges may be required to serve in magistrate courts to prevent overloads. In case of overloads in their own courts, judges from other circuits would be appointed by the state court administrator to assist here.

Judge Monroe also confirmed that eventual attrition of associate judges will reduce the number in the local circuit by two, decreasing the number of judges to the county to five. This will require more centralization in filing of cases, he said.

The judges described the work of several state judicial committees upon which he serves and explained a tentative organization of divisions for circuit court operations in this county.

He said each of the judges will serve in any and all of the divisions, which would include administrative, probate, family and trial courts.

"Who is Sylvia?", a program on a 14-year-old girl's relationship with her family, school and friends, attracted a gathering of 40 teenagers and parents—double the initial turnout—Tuesday night at the second in a series of seven weekly discussion meetings on teenage problems. Due to high school homecoming activities next week, the third session will not be held until Oct. 22 at the YMCA.

Triad Sweeps Triangular C-C Events

Triad sweepers swept to victory in both the senior and junior divisions, of a triangular high school cross-country meet with Madison and Highland Tuesday afternoon on the Triad course.

The Knights grabbed the first four places in the varsity run over a 1.9-mile course and had the low point total of 16. Highland was far back with 65 points and Madison was last with 77.

Joe Vogiovanni won in the time of 10:37. Ollie Wright was Madison's first finisher, running fifth in 11:03. Cecil Bell was a 13th, Elwood Besserman 17th, and Mike DeYoung 20th.

Triad had seven runners among the first 10 finishers in junior varsity competition and won with 20 points. Madison was second with 32 and Highland third with 74. Tom Owens of Madison finished fifth in 11:40, his best effort this fall. Ron Shaw was 11th and Don Hoskins 17th.

Still looking for its first win of the season, Coach Earl McClanahan's club will host Bethalto in a 4 p.m. dual meet in Madison next Tuesday.

The New York Yankees were known as the Highlanders prior to 1913, when sports writer Mark Roth came up with the team's current nickname in a story.

CJHS Braves Get By Roxana Wednesday, 18-12; Now 4-0

Roxana's freshman gridder threw a scare into undefeated Coolidge junior high school yesterday afternoon at Roxana before Coach Bob Ward's club pulled out an 18-12 victory, its third straight in Junior High Conference action this fall.

The Braves, who fumbled five times and looked sluggish on offense, counted twice in the second period, with quarterback Jim Isters getting the visitors' first touchdown on a one-yard sneak and fullback Jim Norris scoring on a five-yard run. Ray Wilson scored before halftime for Roxana on a five-yard run.

Both clubs missed on each of their extra point tries and Coolidge led 12-6 at intermission.

After a scoreless third quarter, Coolidge halfback Keith Gauert scored the insurance touchdown on a fourth and goal situation from the Roxana 20.

Roxana came back with a long TD play, a pass from Dick Dine to Scroggins which covered 57 yards.

One of the Braves' fumbles occurred after the GC club had driven to the Roxana two-yard line early in the game. The club puts its four-game skid on the line against another JHS conference opponent next week.

North JHS will be the Coolidge foe in Collinsville in a 4 p.m. contest.

Wood River Calls At GCHS Tonight

Both Clubs Looking For First Victory In Conference Play

Wood River's Oilers, who have not been able to dent the goal lines of two previous Southwestern Conference football opponents, test Granite City here tonight before a crowd which will include Warrior Coach Jim Morrison's boss of last year, Washington University head football Coach Dave Puddington.

"I sure hope we can make a good showing," said Morrison who uses a simplified form of Puddington's WU offense and defense, but is still looking for the first SWC victory with the new gridiron tools.

Humiliated 40-0 in Alton last week and tied 13-13 the previous Friday by Collinsville, the Warriors are nonetheless favored to tonight against Ory Yocum's club, against which Edwardsville and Belleville, two Southwest toughies, piled up 86 points while holding the Oilers scoreless.

When the dust cleared after extended practice sessions at GC225 this week, the Warriors had run 30-yard wind sprints for every point scored against them by Alton (about 2000 yards apiece) and engaged in some extraordinary head knocking and Morrison had come up with some extensive lineup changes for the Thursday night contest, a day earlier than usual due to teachers' institutes on Friday.

Good news—and bad—came out of the Warrior camp. Ernie Korn, thought to have sustained a serious head injury in the second quarter at Alton, was pronounced healthy and fit to play by his physician, Morrison said. And Norm Wilfong, who took another hard knock at Alton, will be in the starting lineup, too.

On the red side of the ledger, Mike Mounce (two badly bruised shoulders), Joe Hiles (painted nose), and Bob Pyle (twisted ankle) will not be in the lineup. "Mounce is definitely out, and Pyle and Hiles will see only limited duty," Morrison said.

Backfield Switches
Wilfong will be switched from fullback to left half in Hiller place, Junior Tom Craycraft will start at fullback and Nick Petrillo, regular right half in the opening game, is sound after injuring an ankle in the Madison game and will see his first action in two weeks.

Doug Winfield will replace Mounce at defensive safety while Jim Nash and Ron Yates will move in at the defensive line.

Yocum, whose club won big against two non-conference opponents before running into Edwardsville and Belleville, has some physical problems, too.

Oilers' Hurt Sidelined
The biggest is trying to find a replacement for fullback Jon Huff, who scored 24 points in his first two games and then sustained a broken leg in the first five minutes of play against Edwardsville. Junior Joe Anderson is his replacement.

Right end Bill Shortall and tackle Terry Lawrence (twisted back) and Greg Hazen (broken hand), who started the first game for the Oilers, won't be in uniform tonight, leaving the out-weighted visitors with only five lettermen in their starting lineup.

Quarterback Lee Davis threw for 120 yards against Belleville last week, so the Warriors must again be pass wary. "But we don't have much speed to go with Lee's passes," Yocum said.

"We couldn't match Belleville in the line, depth-wise, and I don't think we can against Granite, either," Morrison said.

Warrior fans, including Puddington, who was the first to call Morrison and offer congratulations after a season-opening 7-6 win over Assumption, hope Mr. Yocum's statement is accurate.

'Boosters of the Fighting Warriors' Formed To Support GCHS Athletics

An adult organization designed to support and uphold the all-around athletic program at Granite City high school "camp" is to be officially Monday night at the Rose Bowl Restaurant. Fifty-three persons attended the meeting, at which films of the Granite City-Collinsville and the Granite City-Alton football games of 232, 192 and 228, while the Warriors hit 227, 187 and 203. The Morrison.

Among those attending the organizational meeting Monday night were GCHS basketball Coach Andy Sullivan and Athletic Director Dick Yates. The membership fee is \$1 per year, and the booster club will operate on a non-profit basis, according to the president. Its first project was to purchase film for the photographing of the GCHS-Alton football game last week. The booster club will meet next at 7:30 p.m. on Monday, Oct. 21, at the Rose Bowl. The club's schedule calls for a dinner meeting at 6:30 p.m. on the first Monday of each month, and a business-social meeting at 7:30 p.m. on the third Monday of each month.

Stafford Wins 10-Game Pin Match From Burton
Down 79 pins at one point, Granite City's Paul Stafford came on strong in the late game to defeat Nelson Burton Jr. of St. Louis in a 10-game match witnessed by an estimated 350 bowling fans Monday night at Tri-Mor Bowl.

Neumann President
Elected president of the newly formed booster group was Richard Neumann, an employee of McDonnell Aircraft Corp. in St. Louis and a sports announcer for radio station WGEZ.

Twilight Optimists
Watch Game Movies
Carl Roach of Granite City, Optimist Club lieutenant governor, visited a meeting of Twilight Optimist Club Monday night at the Rose Bowl.

Other Aims
"To cooperate with and provide assistance to coaches and the athletic director, upon request," and "to promote civic pride in the efforts of the Warriors and their coaches," Neumann said the organization is open to anyone sincerely interested in supporting any or all GCHS athletic teams. The group, which adopted the name "Boosters of the Fighting Warriors," will meet again at 7:30 p.m. on Monday.

Joe Townsend New District Point Leader

Joe "Bullet" Townsend, who apparently was not idly idling in his Madisonville room, is the district's new prep football scoring leader this week.

A 19-point performance by the Tiger halfback in last Friday's 22-0 win over Collinsville gave him 51 for the season and a comfortable 15-point edge over teammate Bob Hoskins, who led to second place after being held scoreless in the first half against the Kahoka and sitting out the second half with an ankle injury.

There were few other changes among the scoring leaders through the first four games. Making the biggest gains were Alton's Leroy Johnson, who scored twice against Collinsville to tip up his season point total to 20, and Lincoln's Sam Edwards, who duplicated Johnson's effort against Peoria.

Paul Lusk, a two-touchdown performer for Madison, and Bob Fyle of Granite City, held scores less last week, are among seven players tied for 14th place with 18 points each.

'Y' Boys' Basketball Program Will Begin Saturday Morning

The YMCA youth basketball program for 1963-64 will begin Saturday morning at 9 a.m. at the Schmaleke, YMCA youth department director.

Boys from the age of eight through 14, or who have not completed their ninth grade in school, may participate in supervised practices from 9 a.m. to 11 a.m. on Saturdays. The program includes instruction in basketball fundamentals, practice and the teaching of basic skills and rules of the game.

League play will begin on Nov. 9 in the Prep (8-9), Trailers (10-12) and Rookie (13-14) age groups. A holiday tournament will be held Dec. 30-31, and league playoff tournaments March 21 and 28.

Schmaleke said every boy signing up for the program will be placed on a team and given the opportunity to play in actual games.

Interested boys or parents may call the YMCA for additional information. Groups of boys, community organizations, churches, Scout troops and other groups may enter teams for the purpose of league play.

Madison Fresh-Soph Gridders Take 12-7 Victory Over Dupo

Madison high school's freshman-sophomore football squad came up with its first winning decision in five games this last Monday night by outlasting Dupo 12-7 at the MHS football field.

The winners put all their points on the scoreboard before Dupo came up with a single touchdown in the fourth quarter.

Wingback Sam Jones went 22 yards on a reverse to score Madison's first touchdown in the second period, and the Little Trojans took to the sidelines to score the decider in the third period.

Quarterback Tom Williams passed to left end Don Nowicki on a TD play which covered 41 yards. Run for the extra points after Madison scores were stopped each time by the Dupo defense.

The visitors scored on a 55-yard play in the final quarter, with the left halfback taking a pitchout and skirting end for a TD. Dupo kicked the extra point.

The visitors scored on a 55-yard play in the final quarter, with the left halfback taking a pitchout and skirting end for a TD. Dupo kicked the extra point.

Madison's defense line, aided by guards Eddie Ingram and Terry Rhodes and tackle Don Delaney and Butch Neve, stopped a Dupo drive on the Madison four-yard line just before the half.

The winners had a 35-yard touchdown pass called back in the third quarter by an offside penalty.

Jess Willard did not become a professional boxer until age 28. Four years later he was heavyweight champion of the world.

WEEKLY FOOTBALL AWARDS

Madison high school went to tackle back One (left), a repeter from last week, and sophomore fullback Paul Lusk, who were cited as "Lineman and Back of the Week" by the MHS staff following the Trojans' 13-0 rout of Dupo. Onesky, a 211-pound senior, again led the defensive unit in tackle while Lusk rushed for 110 yards and scored two touchdowns. At Granite City, Warrior team members agreed to a suspension of awards this week after losing 40-0 to Alton.

Wary Madison Is Host To Winless Civic Memorial In MWC Encounter

Mention Bethalto football around the Midwestern Conference and it conjures up a picture of a single wing ball club which has not put many wins on the board in the past five years.

Coach Cliff Hopper's Eagles will come into Madison tonight with an 0-4 record, but the Eagles' style of play has changed since despite their record. Madison Coach Glen Pickering expects to have his hands full as the Trojans seek to improve on a 1-3 season mark.

The Trojans ran almost entirely from the straight "T" formation last week against Cahokia. Pickering revealed after checking through scouting reports "and they gave Cahokia a ball game."

Hopper, who took a liking to the single wing offense while playing that style of ball for Missouri Valley Coach Volney Ashworth, said he was not sure if the Trojans would be able to handle the best defense in the conference.

"They'll give us a toughed."

Madison will be outwitted in the line for the third game this season per man. While the Trojans netted 71 yards rushing in a 19-0 loss to Cahokia, Civic Memorial came up with 120 yards on the ground against the Trojans. The Trojans were held to 120 yards on the ground against the Trojans.

"The kids they are replacing aren't hurt; these two just earned starting assignments in practice."

Alton Becomes 4th Straight Victim Of GC Soph Gridders

After trading scores twice in the early going, Granite City's sophomore football team clamped a defensive stranglehold on visiting Alton in the second half and marched to a 26-14 win under the lights at the GCIS athletic field Monday night.

It was the fourth straight win in an undefeated season for the Warriors, who traveled to Wood River for their fifth game Monday afternoon.

Halfback Riekey Turner of GCIS directed, scored or set up the first three Granite City touchdowns. He ran five yards for the winners' first score in the opening period after intercepting a 58-yard pass to end Dan Lakoos.

Turner was on the receiving end of a pass from quarterback Tim Hackney in a scoring play which covered 28 yards in the second quarter. Turner ran for a 16-yard TD pass to Lakatos for the third soph touchdown and a 19-14 halftime lead.

70-Yard TD Return
Alton's first-quarter score came on Walter Scott's eight-yard run. David Wyatt turned in a 70-yard kickoff return to give the little Redbirds their second six-pointer in the second quarter. Bob Gruver booted the visitors' extra points.

Granite City got its insurance touchdown in the final period on a 14-yard run by halfback Len Reville. Jim Rains kicked two extra points for the winners.

Guards Ed Brokaw and Arvil Taylor, backs Turner, Jim Valicoff and Greg Wozniak, and linebackers Rich Kozal and Fred Hoffman, who came into the final tackles each, were singled out for good defensive play, especially over the final two quarters.

Benefit For Injured Driver Saturday At Tri-City Speedway

Proceeds from the final night stock car racing this season at the Tri-City Speedway will go to injured driver Dave Hollis, coacher Garland Farless announced this week.

Gate receipts and drivers' purses will be turned over to the Granite City racer, who is still recovering from serious head injuries sustained in a July 27 accident at the speedway.

Farless said.

He added that no collections will be made after spectators pass through the admitting gate.

The final racing program at the speedway will include modified amateur and fender class competition on the quarter-mile track. Time trials will begin 7:30.

Speed travels in water at a speed of about 4500 feet a second.

put the program under the public school system. The schools, he said, will take on the responsibility within the next few months as soon as the paper work is finished in the state capital.

At present seven teachers are donating their talents giving instruction in most everything—from mathematics to English.

Miss Byrd, who has a degree in social sciences, is one of the teachers. Others, Miss Byrd said, are:

Ed Fitter, son of a Venice grocer who has a master's degree in economics from Washington University; William Redman, Venice businessman who is a graduate of St. Louis University law school.

Charles Byrd, retired principal at Lincoln school who holds a master's degree in English from the University of Illinois; Miss Betty Long of Venice, a graduate of Normal State Teachers College.

Two teachers at Lincoln school—Marvin Owens, who is graduated in chemistry from Southern Illinois University, and Mrs. Margaret Beatty, who earned a master's degree in biological Illinois.

did not attend the special meeting.

Moerlein's Stand
Moerlein said the deferment of the Calvo resolution at the Sept. 23 meeting was not in order. He also added that any deferment is to the next regular session and not a special meeting and that the deferment motion had been adopted, since it was deferring a motion and not a committee's final report.

Ford Johnson questioned Beatty's seeking assistance from City Attorney Filloff, pointing out Filloff has been complaining of too much city work and seeking an assistant.

Filloff replied that he had been asked by Beatty to assist in obtaining any easements needed for the treatment plant project and that the request was proper and logical since he was city attorney.

He added that he was entitled to handle his private practice in any way he saw fit. Filloff added that Beatty would need help because of the short time before the state Sanitary Water Board deadline.

Boyd's objection was that the council was ignoring the recommendation of a committee in voting on Beatty. "If this continues, aldermen must want to serve on committees."

Mrs. Beatty agreed with Alderman Johnson. "It doesn't make sense," she said, "for the city attorney to work on pollution when he is calling for extra help for city work." She added that the selection of a bond attorney appeared to be a "play for power."

She said she was planning to propose the names of Beatty and Atty. Leo Konzen to the council "to get the matter out of the political arena."

Alderman Samuel Whitmer commented he had accepted the committee's selection of Calvo, but his first choice was Beatty because of his experience to get the job done.

McGee called for a ruling on the legality of the special meeting.

Opinion By Filloff
Filloff replied the meeting was conducted properly.

Comments by other aldermen were:

Farney: "We have a part-time city attorney, and as far as assisting the bond attorney; it's up to him to decide."

Thompson: "I resent the political power play remark by the committee. I think highly of the three men on the committee."

Basarich: "I object to the council wanting to send police after aldermen present for the special session. This is the United States, and you can live your own life."

At this point, about 8:30, Alderman Dallas left to go to work. The debate continued.

Mrs. Beatty outlined the proper procedure for calling special sessions.

Alderman Paul Rutledge commented he was certain the special committee had considered Beatty at one time or another and that a decision on an attorney should be reached because of the nearness of the deadline.

Moerlein called for a written opinion on the legality of the special meeting of Sept. 26. "I've got a lot of respect for Filloff until he began giving political opinions," he added.

Mayor Davis pointed out he had submitted Beatty a recommendation from the former citizens' committee.

In a roll call vote for suspension of rules, the following aldermen voted for Beatty: Norn, Patney, Rutledge, Skubish, Whitmer, Basarich, Bartosiek, Bergfield, McGee, Sternberg and 1901.

Aldermen Ok \$137,013 Bill List And \$32,550 Salaries

Bills and salaries totaling \$189,563 were approved Monday night by Granite City council members. Of the total, \$32,550 represented city employees' salaries for the first half of October, and the bill list amounted to \$137,013.

Largest items on the bill list were payments of motor fuel tax funds for street projects, sewer repairs and a drainage line along with curb and gutter repair work.

A. H. Seebold Co. was paid \$85,894 for 1963 street work while G. H. Sternberg Co. was paid \$84,225. Seebold also was paid \$31,005 from street funds for the storm sewer line installation at Vesel and Lynch avenues; and \$18,905 from maintenance of sewers for the manhole repair on the Narnwood sanitary sewer system at Jill and Rodger avenues. An added cost was \$253 paid to A. H. Seebold Co. for furnishing equipment at the manhole replacement job.

Holland Asphalt Paving Co., East St. Louis, was paid \$1180 from street funds for repairs and the resurfacing of the 20th and Benton streets intersection.

Tom Skier, concrete contractor, will receive \$1200 for replacement of the front steps at the city hall building, and \$2062 for curb and gutter replacement.

Maintenance, fuel and parts for city equipment totaled \$1560.

Expense Allowances
Expense allowances included \$189 for Mayor Davis for September, \$50 for Alderman Paul Rutledge for July and August, \$80 for City Building Inspector Earl Bloomquist, \$30 for Alderman Edmund Bartosiek for September and \$106 for City Atty. George Filloff Jr. for reimbursement of an answer fee in a suit against the city and expenses for attending Illinois Commerce Commission hearings in Springfield.

City Engineer David Johnston was paid his monthly retainer of \$417 for September.

Delbert Lampher was paid \$249 for services from Sept. 23 through Oct. 4 for the police and fire departments, humane department, city hall and for building minor repairs.

Other items on the bill list included payment of \$1488 to East St. Louis & Interurban Water Co. for September rental on 348 hydrants and service to city buildings, and \$2101 to Illinois Power Co. for street lighting and services to city buildings.

Clerk of the City Court Mrs. Helen Homan was paid \$180 mileage to go to Edwardsville to draw petit jurors, and \$38 was paid to Bellemore Animal Hospital for animal treatment, including a cat kept under observation for rabies.

Retirement fund payment amounted to \$2380. Arleen Nagman was paid \$7 to paint seven school stop hand signs for use by school crossing watchmen.

Supt. Warfield Blasts At Council—Then Agrees

Street Supt. William Warfield had rented an air compressor for the day and when he was unable to locate Sternberg, he went ahead with it. Sternberg replied that the compressor could have been rented for a half-day.

While council members agreed the driveway along Spruce street were in need of attention and had resulted from the street improvement project, no vote was taken to authorize a continuation of the work. It was estimated the Myrtle avenue driveway project cost the city about \$100.

Comments By Skubish
Alderman Casmer Skubish, who had requested the Myrtle street work, said the Spruce street project was "trivial." He added, "He (Warfield) will not let me question it for everyone. He does it only where it's needed."

Warfield remarked, when a Motion picture questioned the project, "I think it's a bunch of jealousy. I'm not doing this for any alderman. I'm doing it for the taxpayer. You're just jealous."

Alderman Walter Norn said he had heard the state would not permit any work on the sidewalk when the street was improved and its level was lowered causing the problems and damaging the residents' autos.

Warfield said Skubish had requested the Myrtle avenue job and the council had approved it, signing council authorization for it. "I made a mistake then," he said.

Alderman Edmund Bartosiek called for permission to be given Mathews Chevrolet Co. to install a 45-foot driveway in front of its buildings along Nledinghaus avenue. He was ruled out of order as it was pointed out the council had voted down the request several weeks ago.

"Told I'd Be Cut"
Warfield said he had tried to reach Street Committee Chairman G. H. Sternberg before starting the job on Spruce street, but was unable to locate him. "I was told I'd be cut if I did the job," he told the council, adding that there were other driveway projects along Spruce street which were causing difficulty.

Warfield made his accusation when Alderman McGee questioned the work along Spruce street, pointing out that in the other two instances, the projects on private property had been submitted to the council for approval before being carried out.

The superintendent said he

Wallace Gets Probation, 6 Months In Vandalia

Guy Wallace, 24, of 2829 Willow avenue, was sentenced to six months in the state prison farm at Vandalia and given three years probation Tuesday in Madison county circuit court at Edwardsville.

He had pleaded guilty to aggravated battery in the June 30 shooting of William Dinkins of Alton following a minor traffic mishap involving the two in Madison.

Scheduled for trial on Monday is the murder case of Joseph Ward, 51, of New Orleans, charged with the Aug. 11 murder of his wife near the Fairmount race track.

On the criminal setting for the same day is a hearing of a post-trial motion for a new trial for Carl Hoffman, 26, of 2111 Lincoln avenue, who has been found guilty in the shooting of a Granite City Army Depot soldier on Sept. 20, 1962.

Police Find Two Guns, Hold Girl, Two Youths
Venice police are holding a 17-year-old girl and two young men from St. Louis for investigation in connection with the discovery of two guns about 11 p.m. yesterday.

Police were driving east on Douglas street when they heard a shot and saw the girl and a 21-year-old man run out of a yard 1077 Douglas street, toward a parked car and then into a vacant lot at 1025 Douglas street.

The third suspect, a 22-year-old man, was in the parked car with a half-pint of whisky.

Police searched the trio, found nothing but then spotted a .38 Smith & Wesson revolver in the car.

The search of the lot yielded a .22-caliber automatic pistol.

Third, Sixth Graders In GG Ahead Of Norm

Achievement test results for third and sixth graders in 1962-63 show Granite City pupils are well ahead of the national norm, Supl. Harold M. Kaiser, superintendent of the school board Tuesday night.

At the third grade level, the national norm is a score of 53, and local youngsters scored 4,757. At the sixth grade level, Granite City students achieved a 7.74 rating, topping the U. S. norm of 6.5.

The superintendent noted that over half of the students at Granite City high school are taking more than the required four courses.

Seek Pay For Sixth Class
With Dr. Kaiser reporting that the American Federation of Teachers unit has requested extra pay for junior high or GCHS teachers assigned a sixth grade class, the board decided 6-1 to order the issue to the arbitrator for contract negotiations with AFT Local 743.

The motion by Secretary George Stidham was seconded by Ronald Dillard and supported by President Ralph Fieker, Treasurer Monroe Worthen, Ralph Buske and Robert Spangler.

Daniel Linder voted "No."

Half-Hour Extra Work
Asked for his views, Dr. Kaiser had said there is merit in granting extra compensation for carrying an extra teaching load. Two GCHS instructors at present teach six hours each but do not have to supervise a half-hour lunchtime study hall and also are assigned fewer extra-curricular duties. Net result is that they have about 30 minutes less than other teachers to prepare assignments and grade papers. It was explained.

Spangler said probably 10 or 12 GCHS teachers carry an extra load than the others, and it was noted that extra compensation granted some instructors in the past was claimed later in a grievance filed by other custodians, who alleged that the school board was not.

Dr. Kaiser said more sixth-grade assignments are likely, adding that it would be costly to hire an extra teacher in particular specialty to teach just one hour a day.

Dillard noted that only junior high and high school teachers were mentioned in the request, and Spangler recalled that a proposal last year to alter the existing agreement with Local 743 was turned down by the board.

Absences Without Pay
Another topic considered Tuesday night was requests by teachers to be paid for absences that do not fall within present sick and emergency leave policies.

It was decided to continue granting such time off are paid in such instances.

SIU To Seek Bids For Technology Buildings

Bids to construct the School of Technology group of buildings on Carbondale campus of Southern Illinois University will be opened Nov. 14.

Willard Hart, associate university architect, said plans and specifications for the engineering school complex, to consist of a four-story classroom and lecture hall structure and three two-story buildings for laboratories and engineering research, now are ready for prospective bidders. Estimated cost has been set at \$4,200,000.

The bids will be opened at 2:30 p.m. Nov. 14 (in the Morris Library Auditorium).

The Technology group action is the fourth invitation for bids submitted by the University for major campus construction at Carbondale during 1963.

Bids are under study for a general classrooms building to cost an estimated \$3,250,000. Bids have been opened and contracts let on Phase One of a Communications building to house the departments of speech, speech correction and theater, and for a provision of the type of construction of \$3,250,000. Construction has started on the \$11,250,000 University Park Residence Hall to house nearly 2000 students.

All buildings except the residence hall will be financed with State University Bond Issue funds. The University Park project is financed through revenue bonds.

GO TO CHURCH SUNDAY

Construction Begins At Nameoki Methodist

Construction began this week on a new sanctuary for the Nameoki Methodist Church in the 1800 block of Pontiac road.

Contractor for the \$343,000 structure is M. H. Wolfe & Co., Granite City. The new air-conditioned sanctuary, which will seat about 500 persons, is being built adjacent to the present church which was erected in 1950. The present building will be used for educational purposes.

Groundbreaking ceremonies were held this week with Rev. E. M. Dykes, pastor of the Union Methodist Church of Belleville, as the main speaker. Rev. Dykes was formerly pastor at the Trinity Methodist Church here.

Present were the pastor of the church, Rev. Frank Pierce, and former pastors Rev. Billy Habs and Rev. Leroy Pittman.

Committee chairman, M. H. Wolfe & Co., also did construction work at that time. Formal opening services were held Dec. 23, 1951. The building cost was paid in full in 1959.

At present there are about 300 families in the church.

Eighty Seek Data On Seminar At Oxford U.

More than 80 inquiries from prospective students have been received concerning a Southern Illinois University 1964 summer course at Oxford University, England, a third more than can be accepted, according to Douglas L. Rennie, sociology professor and one of the directors of the program.

Application blanks have been sent to all prospective applicants and screening of applications will be started in mid-December. Rennie said only 60 SIU students may be accepted, together with 40 from Great Britain and from universities on the continent.

The group will fly by jet from St. Louis and will have almost two weeks of travel in England and Scotland before starting studies at Oxford. Students will live at St. Hilda's College.

Post-seminar travel will take the group to Holland, West Berlin, Bavaria, Austria, Venice, Rome, the Riviera, Switzerland and Paris.

The Oxford program is being conducted through the division of university extension with James Benizer, professor of English, and Rennie in charge of arrangements. Both will accompany the group and take part in the teaching program.

Lighter-than-air ship, the Columbia N2A operated by Goodyear Tire & Rubber Co., which was moored at Lakeside airport Monday evening until yesterday while en route from Akron, O., to Kansas City. It is the first blimp of its kind to land at the airport, according to airport operators.

Dirigible At Lakeside Airport Draws Curious

A 180-foot dirigible drew hundreds of spectators while it was moored at Lakeside airport this week. Children were especially awed.

The lighter-than-air ship, operated by the Goodyear Tire & Rubber Co., drifted into the local airport Monday evening for a couple of days to give its 12-man crew a rest.

Enroute from Akron, O., to Kansas City, Mo., the craft

was being used to deliver mail and passengers. It will help promote a convention of the Future Farmers of America in Kansas City, and then will proceed to the Los Angeles area where it will be based for the winter.

Previously it was seen during the winter months in the Miami Beach, Fla., area. An airport spokesman here said it was the first time that a dirigible of its type landed in this area.

The craft was moored only at its nose and swayed in the breeze, rolling on the one wheel under the cabin. It is powered by two motors and manned by four pilots and eight ground crewmen.

Boys Move Barricades
Granite City police received two reports late Monday night that boys were moving barricades at West 22nd street and Rock road. Dispatched to the scene after the first call, police made the boys replace the barricades and warned them. On the second call, four boys were taken to the police station, their parents were called and the boys were released to them.

White Alderman Casper Schibash called for further study of the matter. Alderman Donald Partney, chairman of the Planning Commission, said the drainage has been studied by the committee and planning Commission and found to be adequate. "I see no reason for delaying the development any further," he said.

Voting against the annexation were Alderman Nonn, Skubish, Samuel Whitmer, Steve Basarich, Mrs. Gabrielle Betnes, Earl Thompson, Edmund Bartosik, J. D. Bergfield, Clyde Boyd, William Dallas and Charles Moerlein. Favoring it were Partney, Paul Rutledge, Ford Johnson, William McGee and G. H. Sternberg.

Other members of the quartet are Harry Jones, Jay Latham, Charles "Chuck" Adams, son of the manager, and Mrs. Thelma Shaw, pianist.

Joseph Sullivan Baby
Succumbs To Pneumonia
Mindy Lee Sullivan, infant daughter of Mr. and Mrs. Joseph Sullivan of 1201 St. Paul street, was pronounced dead on arrival at 10:30 a.m. Tuesday at St. Elizabeth Hospital.

Apparent cause of death was static pneumonia. She was born in Granite City and was one month, five days old.

Survivors include the parents, a sister, Vickie Sullivan, two and the grandparents, Mr. and Mrs. Louis R. LaRose, Mrs. Lulu Ishum and Charles Ishum, all of Granite City.

Services are given in today's obituary section.

\$44,045 Balance In GC Township Relief Account

Fund balances of \$44,045 in the general assistance account and \$23,418 in the town account on Sept. 30 were reported to Granite City council members Monday night by Township supervisor Nelson Hagmann. Five months remain in the current fiscal year.

The general assistance account showed income of \$10,370 as the final payment of 1962 taxes, while disbursements in September

amounted to \$7652. For the town fund, the final 1962 tax payment was \$3172 and September disbursements totaled \$2898.

Hagmann also submitted his reports of disbursements for a two-week period amounting to \$4047. Of the total \$1466 was spent from the town fund and \$5031 from the general assistance fund.

Town fund disbursements were half-month salaries of \$162 for Von Doe Cruise and \$220 for Chief Deputy Assessor Mrs. Margaret Hornberger; \$24 paid to Thelma Mohl for janitor service and \$30 for the Illinois Municipal Retirement fund.

\$200 Convention Expense
Assessor office expense were \$75 paid to Fleishman's for rent, \$24 for utilities, \$5 for supplies. The assessor and supervisor were given \$200 allowance for a four-day convention in Peoria. Deputy assessor salaries were \$180 each for Catherine Herman and Richard Reber.

The \$5031 relief disbursements included \$337 for rent, \$20 for utilities, \$226 for medical care, \$3874 for food.

Administrative costs were \$75 paid to William Baker for office rent; half-month salaries of \$162 for Mrs. Dorothy McCormick, caseworker, and \$150 for Mrs. Ada Kelly, bookkeeper. \$45 for janitor service; \$8 for office utilities, \$10 for the Illinois Municipal Retirement fund; \$18 for office supplies and \$18 for office supplies.

Year's Radio Contract
The Chapeleiras Quartet of Granite City has signed a 52-week contract with radio station KSTL and will present weekly programs at 10:30 a.m. Saturdays beginning this week.

Charles Adams, manager of the quartet which was formed about five years ago here, said it had appeared in churches and auditoriums throughout the metropolitan area and has toured some of the southern states.

Other members of the quartet are Harry Jones, Jay Latham, Charles "Chuck" Adams, son of the manager, and Mrs. Thelma Shaw, pianist.

SIU Choral Group Holds First Rehearsal Monday

The former Southwestern Illinois Chorophonic Society began rehearsals Monday night with a new name and a new director. At a reorganization meeting, the five-year-old choral group changed its name to Southern Illinois University Community Choral Society to more accurately define the group's function and to please SIU's interest in the cultural life of the area.

New director is Leonard Van Camp who joined SIU's staff this fall as assistant professor of music. Last year he taught voice and music education and directed the 60-voice chapel choir at Luther College.

Plans for the year include presentation of Handel's Messiah on Dec. 8 and a spring concert May 17, 1964, with the Alton Civic Orchestra. Rehearsals are held each Monday evening at 8 in SIU's auditorium in Alton, 2809 College avenue, and each Tuesday evening at 8 in Room 212 at SIU's East St. Louis center, Ninth and Ohio streets.

Halloween Hootenanny
Set At Legion Oct. 27
A "Halloween Hootenanny" will be held Oct. 27, featuring Mary and Kathy as the Cackle Sisters, at the Venice-Madison American Legion Dugout. Two performances will be held from 4:30 to 6:30 p.m. and from 7:30 to 9:30 p.m.

One of the sisters is Mary Joyce of Granite City. Her sister Kathy lives in Kentucky. They have appeared widely on the stage and have starred on radio, television and Grand Old Opry programs and have made some records.

Also featured will be "Uncle Jug" and his Kentucky Valley Boys, including Leon Mitchell and Scotti Hinson, and other performers from the Grand Old Opry. Tickets are \$1 for adults and 50 cents for children under 12 and are available at the Piner Beauty Salon, 27th and Benton streets, by phoning TR 7-3416 after 6 p.m., or may be picked up at the door at the Legion hall.

Plang Group To Meet
On Hiring Executive
The executive committee of the Southwestern Illinois Metropolitan Area Planning Commission will meet at 7:30 p.m. today at the Home Savings Loan Association in Collinsville to discuss employment of an executive director for the commission.

A meeting of the full commission may be called later this month or early in November. Enabling legislation which established the commission requires it to meet quarterly but sets no specific dates.

Dismissal Motion On
Dunlap Lake Suit Filed
A motion to dismiss a suit filed for the Dunlap Lake Property Owners Association Inc. against Dunlap E. and Patricia Jaimes of Granite City has been filed in Madison county circuit court in Edwardsville.

The property owners are attempting to prevent the Jaimes from continuing with construction of a building on their property at the lake. The defendants claim there is no basis for the suit. The association maintains the Jaimes structure violates its regulations.

Part-Time Worker Vacation Pay Approved By GC Council

A wide assortment of business transactions transacted Monday night by Granite City council members included authorizing Granite City High School Band Parents Association "tag days" next March to granting vacation pay to two part-time workers who operated insect fogging machines.

Council members took exception to a delay in receiving a notice from the county near Granite City.

The notice was dated Sept. 26 for an Oct. 3 hearing and was not presented until Monday night. In the future, copies of such notices are to be made and forwarded to the chairman of the City Plan Commission, David Morgan, and to Alderman Donald Partney, chairman of the council's Plan committee, it was noted.

Approved was vacation pay for two part-time city workers, Cecil Lyons and Bernice Angle, former sanitation department employees, who operated insect fogging machines during the summer.

Need Personnel Committee

In recommending the payment, Alderman Paul Rutledge, chairman of the Finance committee, stressed the need for reactivation of a council Personnel committee to cope with the problem. He explained the need for regular monthly salaries instead of in hourly pay brackets, which possibly could have prevented the vacation pay. Lyons worked one month to qualify for one day vacation pay claim, and Angle worked five months to qualify for five days.

Answering a question by Alderman Ford Johnson, City Atty. George Pileoff Jr. said he was preparing a suit to be filed against Kent Realty Co. and residents along Mercer drive for having cesspools or septic tanks. Johnson said in some instances, washing water was being permitted to flow into the street, and that the developer had told city officials he would supply a sanitary sewer line for the area. Johnson said he has been trying for over a year to get the situation corrected.

Extend Johnson Rd. Sidewalk

Council approval was given a request by Alderman Earl Thompson for a sidewalk for a portion of Johnson road to be extended east along Johnson road to Edgewood drive. The cost is to be determined.

Three bids for seven new two-way radios for police equipment were presented by Samuel Whitmer, chairman of the Police committee. Since each bid contained several alternates, they were referred to the committee for study and recommendation. The bidders were RCA of Kansas City, GE of St. Louis and the St. Louis Flying Service, Lambert Field.

Maryville, Lake School Driveways To Be Improved

Application of a "seal and chips" surface to driveways at the Maryville and Lake grade schools was authorized Tuesday night by the Granite City school board, which accepted a \$10,000 bid of \$12,000 from James Holland of Granite City.

The administrative staff was urged by Board Member Ralph Buske to seek completion of the Mitchell grade school addition as soon as possible. Current estimate of remaining work is five or six weeks.

A low bid of \$1147 from the Resolute Sports Co. was accepted on a 24x24-foot mat to be used for wrestling, tumbling and physical education classes at Coolidge Junior high school.

Purchase of potato products was authorized at a cost of \$1978 from Kraft Foods, St. Louis, whose bid was described by the administrative staff as high quality at the lowest cost per pound.

Discussing proposed purchase of basketball shirts, pants and shoes, the board voted 6-1, with Robert Spengler opposed, to have administrators obtain the uniforms and shoes through a special non-bid purchase. Bids received were rejected as not meeting desired quality standards.

Cupcake Comparison

An identical 6-1 vote, with Spengler dissenting, was recorded on a motion to have the administrative staff handle comparison of bakery products, with all four bidders: Dolly Madison Cake Co., Ward Bakeries, Continental Baking and American Bakeries — allowed to supply an equal volume until students' preferences are determined.

With the growth in enrollment, it is deemed best, he charged, to obtain more of the pastries and cupcakes for junior high and high school students from suppliers rather than baking them.

He was born in California, Mo., and was a member of the Caledonia Methodist Church.

Survivors include three sisters, Mrs. Sam (Verna) Shum, Granite City; Mrs. Claude (Lula) McFarland, Bismarck, Mo.; and Mrs. Clyde (Marie) Poole, Benton Harbor, Mich.; a brother, Robert Imboden, Alhambra, Calif.; and several stepchildren including Mrs. Thomas (Rose) Parker, Granite City.

Services will be conducted this afternoon in Ironton.

MHS Choral Groups To Sing In SIU Concert

Fifty Madison high school vocal music students will take part in a mass choral clinic and concert by high school singers Saturday at Southern Illinois University, Carbondale.

The Madison students, including 40 members of the girls' glee club and a 10-member boys' ensemble, are directed by Mrs. Valerie Stevens.

George Howerton, head of the vocal music department at Northwestern University, Evanston, will direct the massed high school singers in a 9:30 a.m. rehearsal and a 7 p.m. public concert in Shyrock auditorium.

Six classical and contemporary selections will be presented. Dr. Howerton will preside at an afternoon materials clinic, assisted by the University Chamber Choir. A final rehearsal for the evening concert will be held at 4:15 p.m.

Surplus Store Manager Back From Buying Trip

Earl Harris, manager of the Surplus store, has returned from a buying trip to Dallas, Texas, where he attended the Southwest Buyers Syndicate International trade show.

The local Surplus store is one of 103 that buys through the syndicate.

Prices and weights of the big items are similar, and taste comparisons will be left up to the pupils, whose purchases will be tabulated during a trial period. The products were sampled at the board meeting.

The purchases could affect ice cream and potato chip sales but are not expected to reduce the number of plate lunches served. Supt. Harold M. Kaiser said.

\$84,423 Bills

As the board approved bills totaling \$30,091 in the educational fund, \$10,419 in the building fund, \$82 in the transportation fund and \$43,831 in the cafeteria fund, it was reported that \$175 non-bid purchase from Bellmore Bakery was for doughnuts and rolls sold to GCCHS teachers and students before the start of school in the mornings.

Bids were opened on printing work and small cafeteria equipment, and an annual audit of the school district by C. J. Schlosser & Co., certified public accountants, was filed. The auditor said the district has "maintained its records in accordance with the generally accepted accounting principles and the Illinois Financial Accounting Manual for Local School Districts."

Replacement of six shelves and elements in an art kiln at a cost of \$80 was authorized. The kiln, damaged during a lightning operation when its shunt switch failed, will be repaired by the Scherer Ceramic Studio.

THE FINEST MOST COMPLETE SELECTION EVER PRESENTED . . .

No doubt about it, Trattler's has the most complete selection of colors, fabrics and styles they have ever presented — and sizes to fit most men — shorts, regulars, long and extra long. In regulars from 35 to 48. To insure a perfect fit, Trattler's has a tailor with 45 years of experience to assist in the fitting and to personally do the tailoring.

The men's clothing market today is rapidly changing. Introduction of more medium to light tones, iridescent compounded shades, more models—3 button and 2 button men's and young men's variations—center vent or side vent, with plain-front trousers, are giving men more latitude of choice.

The change is making itself felt in sportcoats with more color, mixtures, textures and bolder patterns. Slacks have followed the trend and are most complimentary to the sportcoats.

Trattler's has followed these trends closely and stayed abreast of these market changes. We can assist you with authority and modify fashion to your personal requirements. We will be happy to analyze what is best for you in terms of fabrics, color and model.

Stop in soon for a try-on.

DRAWING COURTESY PROGRESSIVE GROCER

If they ignore his sign, Johnson starts sweating flies.

"Oooh! I'm sorry, but you shouldn't have squeezed my lovely tomatoes," says our clerk. We don't get quite that violent. However, if you have ever witnessed some of our produce clerks lying in store aisles crying and kicking, the reason most probably is because someone has messed up their beautiful produce display, which they had so lovingly cared for. So feel free to manhandle our produce all you wish, but be sure you are well protected at the time. We will try and keep the trimming knives out of our produce clerks' hands, but we can't guarantee it. (Our clerks feel that the fly swatter is not an adequate persuader.)

Post For A. K. Smith
A. K. Smith, assistant superintendent at Alton State Hospital, has been named governor-at-large in the U. S. and Canada for the American Society of Mental Hospital Business Administrators. He will attend all meetings of the policy making board of governors.

Music was first taught in public schools of the United States in 1853.

Madison Club Views United Fund Slides

Slide shows on the United Fund drive opening next Tuesday were shown to Madison Rotarians yesterday by John Solenberger, UP executive director, and Dan Smith, YMCA program director, both of whom gave introductory talks. The recording accompanying the slides was narrated by Rev. David B. Maxton, with organ music by Jack Johnson.

Tickets were distributed for the club's annual benefit smorgasbord Nov. 10.

HOME NOTES

By
MRS. ELAINE P. WENDLER
Madison County Home Adviser,
Home Economics Extension,
University of Illinois

Good buys at your grocery include tuna, turkey, grapes, cabbage and snap beans and other late summer vegetables.

Squash and pumpkin are close relatives and are considered "native born" Americans.

The squash originated here in North America, and was highly regarded by Indians long before Columbus arrived.

Summer squashes are a "natural born" fresh vegetable that during these late summer and early fall days. Boil them, bake them or fry them—just remember not to overcook them.

Squashes have a very mild, delicate flavor and will develop a strong, undesirable taste if cooked too long. Too much water in the pot will rob squashes of their satisfying flavor and nutrients.

Nutritionally, squashes are a source of many vitamins, such as A, C and niacin. And the larger, mature, hard-shelled squashes, especially those with deep yellow flesh—are particularly good sources of vitamin A. Furthermore, there are just 35 calories to a cup (a large-sized serving) of cooked, diced squash.

Squashes on the market today show reddish-brown speckling. Because of unfavorable weather in many growing areas earlier in the year, the russet developed on some peels. This is nature's way of protecting the fruit from bad weather during the growing period and affects only the exterior appearance.

Jelled Applesauce
Jelled cranberry sauce is popular with turkey. Why not jelled applesauce with pork or other meats, in salads or as desserts?

This intriguing side dish prompted a processing method for Golden Delicious apples that produce a tasty, firmly jelled

applesauce with a "crunchy" texture and an attractive golden yellow color.

Unlike products made with gelatin, this jelled applesauce keeps its firmness at temperatures up to 120 degrees. It can be served on the same plate with other foods, even warm foods, without spreading.

Attractive molded desserts of salads can be made by heating the jelled applesauce to liquid, it and pouring it into a mold. Dish over pieces of fruit, berries, vegetables, nuts, raisins or meat.

Novel idea: hope it will be on the market soon.

Selecting Fertilizers
Are you one of those homeowners who does a "benzene-mine-mine" whenever you buy fertilizer?

You don't have to be a handy leaflet, just published by the U. S. Department of Agriculture, offers all the information you need to make a wise selection from among the many types of fertilizer at your garden supply store.

The leaflet, "Selecting Fertilizers for Lawns and Gardens," has been prepared by scientists of USDA's Agricultural Research Service. It explains how fertilizers differ in nutrient content, ingredients and form.

It tells the advantages and disadvantages of combinations—fertilizer mixtures containing added materials such as trace elements, insecticides, and weed killers. And it explains how you can get the best buy for your money.

If you'd like a copy of this leaflet, send a postcard with your name and address to the Office of Information, U. S. Department of Agriculture, Washington, D. C. Ask for "Selecting Fertilizers for Lawns and Gardens," HG-89. Single copy free.

GC Park Square Dancing Program Opens Monday

The Granite City park district's annual square dancing program for fourth grade through senior high school age boys and girls will begin its season Monday night, Park Supt. Harold Brown said.

The program for fourth through sixth grade students will be held at three centers, with the Maryville school sessions beginning Monday at 6:15 p.m.

The Couleidge school program sessions, the first beginning at 6:15 and the second at 7:45. Beginning Wednesday at 6:15 p.m., regular weekly programs will be conducted at Webster school.

Robert Stegemeyer is the director of the grade school square dance program.

The junior and senior high school program will hold its first session Friday, Oct. 18, at Couleidge JHS, beginning at 6:30 p.m.

Review Of GC Building Code Now Under Way

The initial meeting of Granite City's building code board of review was held last night at the city hall to hear representatives of construction unions, Alderman Donald Patrick, chairman of the city council, and the city's Planning Commission.

The session was attended by 18 persons, including representatives of the following unions: electricians, plumbers, carpenters, bricklayers and sheet metal workers.

National and state codes were adopted in August by the city council, and at that time it was mentioned they would be subject to change following reviews by union and contractors.

Any changes are to be submitted to the city council for consideration.

Levee Trustees Hear Debate On Use Of Property

A dispute over the use of a section of East Side Levee & Backwash District property by Khouri league baseball teams and the purchase of another piece of property from the district highlighted last night's regular meeting of levee trustees in East St. Louis.

About 35 persons crowded into the district's meeting room where a loud debate between property owners residing along 78th street between Maryville and Durka streets in East St. Louis and officials and supporters of the Midway-Edgemoor Khouri league ensued.

The 78th street residents protested what they called the general nuisance created by the league's association in its use of levee district property adjoining their homes.

"Parking congestion, noise, high level of trash and outdoor toilets were among items brought up by the residents, who presented the trustees with a petition containing about 55 signatures of persons opposing continued use of levee property by the baseball league."

Second Petition
A Midway-Edgemoor league spokesman in turn presented another petition claiming that it contained between 300 and 400 signatures of persons supporting the league in its present location.

The levee district annually has renewed an agreement with the baseball league, granting it free use of the property.

Board President Lawrence Tolar, after hearing spokesman signatures of persons supporting the league in its present location, told the gathering: "We've caught in the middle. If we decide one way or the other, we'll be criticized." He then referred the matter to the board's judiciary committee after promising an early decision.

Sell Vacant Lot
Trustees adopted a resolution approving the sale of a 75x121 foot vacant lot at Perdue, Levee and State streets in East St. Louis at the appraised value of \$7500 to Joseph G. Hansen, who owned use of the property was not revealed.

A district payroll for September totaling \$40,975 was approved for payment, as was final payment on a \$119,571 contract with Keeley Bros. Co., for a 1850-foot section of a sanitary sewer system in Calumet designed to connect with the Cahokia treatment plant.

Construction easements across levee district property were granted to the Monsanto Chemical Co. for a one-inch pipeline in the 1130 square foot section of a sanitary sewer system in Calumet designed to connect with the Cahokia treatment plant.

Arnette Pattern Will Expand Building
Expansion of Arnette Pattern Co., 1801 Cleveland blvd., was started this week with 1130 square feet to be added to the present 4000 square-foot building to provide additional work space for larger patterns from General Steel Industries.

Dale Arnette said he is not expecting an immediate expansion of his staff of 16 workers. He explained that with the shift of General Steel's Edgemoor, Pa. plant operations here, larger wood patterns will be made for castings for ocean-going ships and other heavy equipment.

Arnette, a former General Steel employee, has been in business for 16 years, and his customers also include the local American Steel Foundries, the LFM Division of Rockwell Mfg. Co. at Atchison, Kans. that also makes large railroad oil field and heavy machinery castings, and other industries.

Concrete footings are expected to be poured this week for the addition, Arnette said.

Men must learn to think right if they expect to live right.

MISSIONARY MEETING

The Women's Missionary Society of Pontoon Baptist Church met Monday night at the church. The general meeting was opened by Vice-President Dorothy Farrell.

Opening prayer was given by Ruthel Smith, and the meeting was turned over to President Shirley Montgomery. Eva Pittman was in charge of the program. Those taking part in the program were Shirley Montgomery, Ruthel Smith, Mrs. Carey Whitehead, Mrs. Sylvia Whitehead and Mrs. Broder.

The closing prayer was led by Laura Lee Falter. The regular meeting was conducted by the president, and a discussion was held on donations of premium coupons. Suggestions were offered for the Lottie Mapp offering and the WMU quarterly meetings were discussed.

A social hour followed, with Mrs. Dorothy Flowers as hostess. These present were: Mesdames Ethel Bennett, Edna Bennett, Thelma Briggs and daughter, Katrina, Gail Brooker, Laura Lee Falter, Dorothy Farrell, Dorothy Flowers, Shirley Montgomery and children, Eva Pittman, Ruthel Smith, Emily Staloff and children, Carrie Whitehead and children, Roy Lee and Tammy, and Sylvia Whitehead.

PLAN SCOUT WORK DAY

Boy Scout Troop 221 met Tuesday evening with Herb Polley, Floyd Ashoff and Maurice Senior at the Long Lake hall. Plans were made for a work day Oct. 12 and a swim at the YMCA Nov. 29.

The boys discussed the fall camporee to be held Oct. 18-20 at Beaver Dam, Ill., and a change in scout achievement awards.

A game was played by William Dicks, Jr., Mike Abernathy, Charles Polley, Jerry Senior, Danny James, Bobby Pickler, Glenn Ashoff, Jimmy Mendel, Mel Wheeler, William Dowdy, Michael Karlehek, Dennis Morris, Mike Norton, John Jones and Larry Harvey.

Mr. and Mrs. James Hodshie, 829 B street, had as guests Sunday, Mr. and Mrs. Tommy Thull and sons, Kenny and Edwini, of Cleveland, Mo.

Mr. and Mrs. Charles Koenig and children, Charlene and Edie, had as guests Sunday, Mr. and Mrs. Fred Wilson of Collinsville.

RETURNS TO WEST

Mrs. Elizabeth Thompson returned to her home in San Bernardino, Calif., over the weekend after spending two weeks visiting her sister and brother-in-law, Mr. and Mrs. Vinson Thorpe, 4144 Lake drive.

Mr. and Mrs. James Hodshie returned Tuesday after spending several days visiting his father, Oscar Hodshie, at Ava, Mo., and Sylvia Whitehead.

JUNIOR SCOUTS MEET

Junior Scout Troop 221 met Tuesday with Mrs. Ethel Getteman. The meeting was opened by the flag and song.

Sharon Jones and Judy Meyer, two new members, were welcomed into the troop.

The girls learned a new song and an action game. Pam Brinkley and Sally Galt were chosen as patrol leaders.

The troop met with Girl Scout leaders. The group worked on a poem "Health and Accident Prevention In The Home," a badge requirement. They decided to have a scout week.

The meeting closed with "Taps" and the scout prayer.

Refreshments were served to Jean Funkhouser, Pamela Brinkley, Sandy Deatherage, Judy H. H. Galt, Sally Getteman, Mimi Midwell, Vickie Patterson, Sharon Jones and Judy Meyer.

Fresh Meats
Are Better

When meat is pre-cut and pre-packed there can be a loss of flavor and drying out of the meat thus handled. At Save-Mor our fresh meats are cut and trimmed as you order it—not in advance. You can select exactly the cut of meat you want—and the exact weight you want—not someone else's decision as to what or how much meat you should buy.

Students At MHS Elect Class, Club Officers

By BARBARA BALLEW and MARGARET CHAMPION

Results of class elections at Madison high school have been announced. Those elected to represent the senior class were Bill Kalchoff, president; Phil Fraundorfer, vice-president; Cindy Zahn, secretary; and Mary Hodges, treasurer.

Junior class officers are Jack Miller, president; Casimir Krakowicki, vice-president; Marian Hadzicki, secretary; and Sam Rapp, treasurer.

Officers for the sophomore class are Tom Williams, president; Autumn Jimmerson, vice-president; Leslie Sabo, secretary; and Larry Curry, treasurer.

Representing the freshman class are Steve Geroff, president; Stephen Shupoff, vice-president; Karen Brown, secretary; and Linda Crawford, treasurer.

These students also will serve on the Student Council. Officers for the Student Council will be elected later this month.

Junior Red Cross
At the last meeting of the Junior Red Cross, Mr. Puff, a representative of a local candy manufacturer, distributed candy samples to the members and then gave a talk on its selling possibilities for profit.

Also, in the near future, Red Cross cards will be distributed.

May Bay Blazers
On Tuesday of last week, the MHS Pep club officers met with the principal, Paul Dant, to talk over the plans for the coming year. The buying of blazers for the members of the Pep club and the Girls Glee club was discussed.

The blazers would be purchased by the Pep club and the chorus with funds raised by the members. The blazers would be kept at the school to be worn for the basketball games and the various chorus programs.

Advanced Chorus Officers
The MHS Girls Glee club will go to Carbondale on Saturday for a chorale clinic with their director, Mrs. Valerie Stevens.

The advanced chorus officers were elected by the members last week. Those chosen were Linda Krypan, president; Mary Anne Bucher, vice-president; Carol Huchard, secretary-treasurer; Carol Fletcher, librarian; and Ruth Lomax and Judy Purdes, assistant directors.

The Future Nurses club held its first meeting under the direction of Miss Nina Dittman, sponsor. The officers are Margaret Champion, president; Pat Schofield, vice-president; and Diane Byrne, secretary-treasurer. Those attending were given a brief resume of the club's activities.

National Honor Society
The National Honor Society accepted several new members at its last meeting. New meeting dates were established for the second and fourth Thursdays of each month.

The Planning committee, appointed by Bill Kalchoff, president, suggested a visit to the Planetarium and asked for more ideas from the members. This committee is headed by Cindy Zahn, secretary.

Mr. James L. Loy, the sponsor, then reminded the club that book covers were to be sold. Teams of two were formed to sell them at noon in the main hall to the students.

Jayvee Cheerleaders
Junior Varsity cheerleader tryouts will be held on Oct. 21. Girls trying out must be active members of the Pep club and maintain a "C" average.

The tryouts will be judged by the sponsor, the coaches and the Pep club on the basis of personality, control and ability.

Promoting School Spirit Is Task Of GC's Red Peppers

By GLORIA BURICH

"Here's a cheer for dear old Granite," and the cheer is mainly from the Red Peppers section at Granite City high school's athletic events.

The Red Peppers is a pep club, the main function being the promotion of good school spirit.

Activities will start Monday with an assembly entitled "The Homecoming Play." The pep club will give a play, coronation of a king and queen, a football game against St. Louis high school and a dance.

VHS Juniors Selling Magazines, Raise Funds

By EVIE RITZ

The junior class of Venice high school started selling many magazines today, with the sale to continue for two weeks.

The plan being used by the class is the "Look Magazine School Plan." This year the class will be divided into two groups. The students with even numbers will be the No. 1 group, and students with the odd numbers will compose the other group.

Selling magazines will be one of the ways in which the junior class will make money for its various activities during the year. The class has set a goal of \$1,000 worth of magazines.

Anyone wishing to buy magazines from the junior class may contact Mary Donna Scaturro, tomorrow, the close of the first who is on the odd-number team, six-week period, and the following by calling 73-6403, or Evie Ritz, on the even-number team, by calling 73-1289.

Student Council
The student council held a special meeting recently to discuss various activities which the rings.

'Over-Dependency' Is Next In YMCA Series

The "Over-Dependency" is the title of the film and topic to be shown and discussed at the next session of the "In My Opinion" series to be held 7 p.m. Tuesday at the YMCA. Teenagers and their parents are invited to participate.

The film describes how over-dependency in childhood can hamper the solving of emotional problems of adults.

After a thorough group discussion by teenagers and adults, the topic will be presented to a panel composed of both groups for further exploration.

The discussion will be headed by Dr. Raymond Troyer, assistant professor of psychology at Northwestern Illinois University.

Special production numbers will be presented by the speech class.

Miss McLeister Heads Homecoming Committee

Marcella McLeister, daughter of Mr. and Mrs. Edward McLeister, 2532 Edison avenue, a senior at Elmhurst college, is chairman of a 17-student committee planning Homecoming activities at the school set for tomorrow through Sunday.

Highlights will include a musical comedy written and directed by students, an alumni reception and their college careers and sports, a football game and festivities, a dance and a Sunday morning worship service.

Four New Pledges Are GC Roca Club Members

The Roca club accepted four new pledges during its regular meeting Tuesday night at the Moose hall.

They are Rick Turner, Larry Curry, Mike Lasier and Charlie O'Dell.

The club recently held a Monte Carlo night, an open meeting for persons wishing to become members. Games were played, and prizes were awarded persons having won the most "money."

A Roca hayride last Saturday night was termed a success with more than 20 couples attending.

License Applications Must List Townships

Illinois motorists are being advised of the requirements that the township of residence be shown on their application for motor vehicle license plates.

The name of the township is to be inserted on the third line of the application blank. The same one calling for the city or town, zone and county of residence, according to the office of the secretary of state.

Applications which do not show the township will have to be returned to the applicants, causing delay in delivering the license plates.

The name of the township is required by law.

GC Aldermen Ignore 11 O'Clock Curfew

Granite City council members ignored the customary 11 p.m. curfew Monday, and on a "stop-the-clock" basis went on to complete the session at 11:15 p.m.

In the past, the council has had an automatic adjournment of its 8 o'clock sessions at 11 p.m. and any remaining business would be carried over to the next night. This was experienced at the Sept. 16 meeting, and it was a disgruntled group, much smaller, that reappeared for the Tuesday night session on Sept. 17.

At that time council members decided, without voting, to relax the 11 p.m. curfew in the future.

At Monday night's meeting, only a few committees had yet to be heard when several aldermen called out it was 11 o'clock and time to adjourn.

Mayor Davis, looking at his watch, commented, "Looks to me like we still have about 10 minutes."

Other council members called for a continuation past 11 o'clock, and the meeting was completed.

Trash Fire, No Damage

A trash fire in the 1500 block of Johnson road was extinguished Monday afternoon by firemen from the Nameki road station. No damage was reported.

Parking Lot Accident

The Bellefonte Village shopping center parking lot was the scene of an accident at 3:45 p.m. Monday involving cars driven by Everett P. Emmel, 58, of 2855 Iowa street, and James Aubrey, 30, of 2108 Garfield avenue.

'64 Jet-smooth Luxury CHEVROLET

Besides looks, ride and power—what's so special about it?

(It's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious—with a fresh, christened look. Richer roomy interiors with subtle new blendings of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Chevrolet Impala Super Sport Series.

A choice of seven engines, no less, with output all the way up to 425 hp.* And a choice of four smooth transmissions to go with them.

And underlying it all, the potent feel of this '64 Chevrolet's Jet-smooth ride.

Matter of fact, the most noticeable difference between this beautiful new 1964 Chevrolet and the high-priced cars is the price itself.

Let your dealer show you how much luxury that reasonable Chevrolet price now buys.

Nameoki Twp. Sewer Application Pending

Nameoki town board members met in a brief session Monday evening at the town hall, and Supervisor Harry Briggs said a notice is expected within a few weeks on the township's application for a township-wide sanitary sewer system.

The application was sent several weeks ago to the Federal Housing and Home Finance Agency Chicago office for processing.

Briggs said he had conferred with the representative of the township's engineering firm, H. W. Lochner & Co. and was told the federal agency is processing the \$13,000 application.

The board will meet next at 7 p.m. Oct. 21 in the town hall along Route 162.

SIU Board Fills Gaps In Faculty On Two Campuses

Gaps in faculty ranks were filled at the Southern Illinois University board of trustees announced appointments for both the Carbondale and Quad-City-Edwardsville campuses.

Dwight W. Morris, president of Southern, told the board the additions to the faculty roster were as replacements for resignations and to augment certain departments taxed by the increased number of students registered for the fall quarter. More than 60% of Southern's full time (graduate and undergraduate) students are women.

The appointments list featured selection of a full professor, Thomas E. Jordan, to serve in guidance and special education at the Carbondale campus.

Jordan, 54, is a native of Leeds, England, and received his doctor of education degree from Indiana University. He is the author of two books on special education and served as director of the Center for Teacher Education at Tulane University.

William H. Ridinger, formerly director of research for the Boys Clubs of America, was named associate professor of recreation and outdoor education, to start on the Carbondale campus Jan. 2. Ridinger, 46, has a doctor of education degree from New York University.

Six assistant professors were named for the Carbondale campus while two of associate rank and four of assistant rank were named at SIU-Quad.

A lengthy list of term appointments, principally in instructor rank, was approved. It included, however, the names of two distinguished visiting professors.

Harold G. Courtwright, to serve nine months with the business division faculty at Edwardsville, and Harlow Shapley, to serve during the winter quarter as professor of philosophy on the Carbondale campus.

Shapley, Calhoun, received his Ph.D. from Princeton University, has been an astronomer at the Mount Wilson Observatory in California and director of the observatory at Harvard University. He is the author of two books.

Several changes in assignments were approved for the Carbondale campus. They included appointment of Troy W. Edwards to serve as acting dean of the College of Education, succeeding Arthur E. Lean, who resigned to return to teaching; Melvin Fowler to serve as acting director of the SIU Museum, while Charles J. Kelley devotes additional time to research; Ralph E. McCoy, librarian, as special assistant to Vice-President Charles Tenney; Fern Randall as acting librarian; and Miss Elizabeth Opal Stone as associate librarian.

Carl C. Lindgren, director of the Biological Research Laboratory and a noted authority on yeast, was granted sabbatical leave for the first four and one-half months of 1964 to assist the University of Puerto Rico in establishing a yeast investigation program.

Named In Brake Charge
William E. Farmer, 51, of 2311 Delmar avenue, was charged with driving with improper brakes when his auto struck a car operated by Harold C. Fogle, 44, of 2325 East 25th street, who was halted at a stop sign at 5:05 p.m. Monday at 23rd street and Washington avenue. Farmer told police his brakes did not work and he went through the stop sign striking Fogle's car.

IEA, AFT Meetings Set For Friday; No School

Public schools in the Quad-City will be closed tomorrow as teachers will attend meetings of the Illinois Education Association to be held at Granite City high school or of the American Federation of Teachers at East St. Louis high school.

Catholic parochial schools in the area were closed today as teachers attended an institute at the Illinois State Fairgrounds at Springfield.

A principal speaker at the meeting of the Marquette division of the IEA here will be Jeff Williams, a past district governor and past director of Rotary International who is recognized as "Oklahoma's Ambassador of Good Will" and has been designated as an "Arkansas Traveler" by the Arkansas legislature.

His topic, to be presented at 1:30 a.m., will be "Behind—and Beyond—Today."

"Needle Points"
The second speaker of the morning will be Rev. Alexander C. Carmichael, pastor of the DeWitt Community Church in suburban Syracuse, N. Y. His church has a membership of more than 2500 representing 31 denominational backgrounds. His topic will be "Needle Points," as he discusses the elimination of daily irritations.

In the afternoon, Gobel Patton of Springfield, IEA public relations associate, will speak on "Professional Sanctions."

Parker Wheatley, director of public affairs for KCMX-TV, will moderate a panel discussion on "Is Punishment Obsolete in Education?" On the panel will be Dr. Nathan Arin, director of the behavioral research laboratory of Southern Illinois University, and Kenneth C. Lemmer, legal advisor for the Illinois School Problems Commission.

Question Session
The panelists will answer questions following their discussion. Attending will be members from Bond, Calhoun, Jersey, Greene and Madison counties. They will open with greetings and remarks by Murray Barnes, IEA president and entertainment by the Collinsville high school choir. The Edwardsville high school band will present a 30-minute concert in the afternoon.

GC Parking Meters Draw \$3602; New High Average

Parking meters provided the city of Granite City with \$3461 in coins and \$141 in fines for a total of \$3602 during September for a daily average of \$130, according to Comptroller John Doehner. The average was the highest of the year to date.

The meters were in operation 24 days during the month and increased the year's take to \$29,697 for the first nine months. The meters topped the August mark of \$2941 by \$550, though

The heavy September traffic permitted the total for the year to surpass the nine-month total of 1962, which was \$29,385. The figures also were well over September of a year ago when the meters drew \$2873 and the fines were \$218 for a total of \$3095 and a daily average of \$129.

The featured speaker at the 1963 banquet of the Tri-Cities Chamber of Commerce, the dinner evening when he ran into parked car. He was treated at St. Elizabeth Hospital.

Hal Boyle, Speaker Here Oct. 24, Philosopher-Humorist

Hal Boyle, speaker here Oct. 24, is the staying guest, has been everywhere and done everything. And yet, when anything happens to, near or around Boyle, it is happening for the first time to the human race.

This is variously known as the "fresh approach" or the "common touch." Whichever it is, it flourishes regularly in his widely-read newspaper column and in his books and is expected to be apparent in the Quad-Cities Thursday night, Oct. 24, when he speaks here.

Boyle has been announced by Everett G. Steele, annual meeting committee chairman, as the featured speaker at the 1963 banquet of the Tri-Cities Chamber of Commerce. The dinner evening when he ran into parked car. He was treated at St. Elizabeth Hospital.

The famed Associated Press writer and Pulitzer Prize winner, who makes his home in New York, will speak here on "The Secret Life of a Columnist." Granite City High School Principal Lawrence C. McCauley, a former roommate of Boyle's at the University of Missouri, will introduce the columnist.

The program following the dinner also will include a brief report on the Chamber's 1962-63 activities by President Chester L. Baker, introduction of 1963-64 officers and entertainment by the Notebooks quartet. There will be a social hour from 5:30 to 6:30 p.m.

Ticket Reservations Tri-Cities C. of C. members, their families and friends are being invited to attend. Tickets for the annual meeting are \$5 a person, and reservations are being accepted by the Chamber of Commerce office.

The guest speaker, known as "the poor man's philosopher," is noted for his ability to handle both the monumental fact and the tiny, everyday bit of information with down-to-earth ease—both in war and peace. He has applied his unusual writing knack on the beaches of North Africa, the hedgerows of Normandy and the rice paddies of Korea.

At home, he finds topics in a wide variety of places and events—in the adoption of a baby, a passing thought about Father's Day, getting his first set of false teeth or being called down to the Internal Revenue department (where he pleaded "temporary insanity").

Widely Reprinted Boyle's daily columns appear in hundreds of newspapers and have been widely reprinted in magazines, anthologies and textbooks and dramatized on television.

Many individual readers have framed his reflections on their living room wall. Others have engraved his thoughts about Christmas, Thanksgiving or St. Pat's Day inside personal greeting cards.

A writer with the soul of a poet and the big broken-nosed face of a friendly bartender, Boyle went into North Africa, clutching a slender volume of Emily Dickinson. He also carried placards saying, "Vote for Honest Hal, the Arab's pal." The man himself, almost as much as his copy, became a legend.

The son of a Kansas City butcher and a graduate of the University of Missouri, Boyle started with AP in Kansas City and moved on to New York. Came the war, and there was Boyle, landing half-drowned with the first assault troops in North Africa.

Chronicle Of Paul Sadler He landed with Patton in Sicily, with the infantry at Salerno, followed the GI's across France and Germany and ended up with a Pulitzer prize for his moving daily chronicle of the lovely foot soldier in war.

When fighting broke out in Korea in 1950, Boyle was back in harness again, covering the hard combat in the Pusan perimeter, the break-out and the big drive into North Korea and finally the withdrawal back south.

In February 1951, the Veterans of Foreign Wars gave Boyle the honor of being their guest speaker at their annual dinner.

HAL BOYLE, guest speaker at the annual Chamber of Commerce banquet here Oct. 24.

their coveted Omar N. Bradley award for "outstanding contribution to national security." The citation was presented by General Bradley himself, an old friend of the columnist.

Boyle also has earned awards from the Overseas Press Club, the University of Missouri, the Goldstar Mothers and other diverse groups recognizing his uncommonly common touch.

B&PW Honors Alderwoman; Civic Group At Meeting

Two delegations jammed the courtroom facilities in nearby 150 persons were present for Monday night's Granite City (council session).

In addition to about 40 regular spectators, there were delegations of high school civics students supervised by teacher Al Lewis and about 10 members of the Granite City Business & Professional Women's Club, headed by the president, Mrs. Vernice Workman.

The students were there in observance of National B&PW Week, and at the opening of the council session, Mrs. Workman presented Seventh Ward Alderwoman Mrs. Gabrielle Botwin with a corsage.

She pointed out that Mrs. Botwin, a member of the B&PW, was the city's only alderwoman and that she was the only club member of the club who is an active government participant.

The delegations were welcomed to the meeting by Mayor Davis and by Alderwoman Botwin. She commented to the civics students that in their study of government they might well take over where the present aldermen leave off.

Dow Metal To Help Produce Beryllium-Aluminum Alloys

Plans for participation in production of new alloys were announced this week at the Dow Metal Products Co. in Madison.

The wraps were taken off a new series of beryllium-aluminum alloys which are expected to make important technological and economic contributions in the space metals field and other areas.

Developed by Lockheed Missiles & Space Co., the alloy series known as "Lockalloy" contains up to 85% beryllium. The series combines the desirable properties of both light metals and eliminates some of the characteristics of each which had posed problems in aerospace applications.

Varied Markets

The new alloys are expected to enter many markets—including military and commercial aerospace aircraft, aircraft brakes, sections for space vehicles and missiles, gyro gages and special instruments, computer memory units and other electronic components where strength and light weight are required.

The Dow Chemical Co. has been licensed exclusively to produce and distribute the alloys under a name of its own choice.

Beryllium Corp. of Reading, Pa., has in turn been granted a sub-license by Dow and is expected to produce the base alloys.

Dow indicated that the production of the alloys will be handled by Lockheed.

Nursing Schools Set At SIU, Carbondale

The first of a series of nursing workshops, financed by a U.S. Public Health Service grant to the Illinois League for Nursing, Inc., will be held at Southern Illinois University, Carbondale, Oct. 13-16.

Virginia Harrison, SIU director of pre-clinical nursing has announced.

Each session is expected to attract about 100 head nurses, supervisors, directors and assistant directors of nursing in general, psychiatric and special hospitals, Miss Harrison said.

Workshops will be held at seven different locations in the state, sponsored by the ILN in cooperation with the Illinois Hospital Association. Follow-up sessions will be held at SIU Nov. 14-15, Jan. 21-22, March 10-11, April 28-29 and May 26-27.

Mrs. Margaret Ellsworth of Elgin and Rose Mary Laubenthal of Chicago, assisted by two other full-time ILN staff members, will conduct the workshops.

The ILN received a \$183,540 grant from the Division of Nursing, U.S. Office of Education, to underwrite the workshop program. Nurses attending the workshops will receive a stipend of \$12 per day to cover their expenses other than travel.

GO TO CHURCH SUNDAY

\$600,628 Returned To State By Howlett

At the closing of the books of the state's 72nd biennium Sept. 30, Michael J. Howlett, state auditor of public accounts, returned \$600,628 to the general revenue fund of an appropriation of \$8,860,630 voted to the office by the legislature.

Although the biennium ended June 30, the last date for payment of obligations is three months later. The budget for the 73rd biennium has been reduced to \$2,613,200. Howlett said the savings resulted from a reduction in administrative costs.

GO TO CHURCH SUNDAY

Laymen Sunday Program At First Presbyterian

Laymen's Sunday will be observed at First United Presbyterian Church with services conducted at 8:30 and 11 a.m. by Rev. Dr. David B. Maxton, pastor, and laymen of the church.

The featured speaker at both services will be William B. Oswald, an attorney and former representative for St. Louis county. He is a member of the committee on probate law of the St. Louis Bar Association and was a special White House assistant to President Eisenhower.

Other laymen to take part in the 8:30 service are: Robert C. Martin, Richard West, Richard Korch, Albert P. Busch and Otto H. Grasse. At the 11 a.m. service those assisting will be: Thomas Henry D. Korandoff, Harry Marshall, Albert Busch and Virgil Klaus.

Other activities of the week will include a deaconess meeting and sanctuary choir rehearsal at 8:30 a.m.; a meeting of the chorale at 4 p.m.; Friday night classes at 8:30 p.m. and 10:30 a.m.; Saturday and Navigators meeting at 6:30 p.m. in the home of Mr. and Mrs. Walter Johnson, 2842 State street. Co-hosts at the latter meeting will be Mr. and Mrs. Robert Grayson. Sunday at 1:30 p.m. the Mariners will attend a meeting at First Presbyterian Church in East St. Louis.

Venice Fire, Police Reports Are Filed

Statistics compiled by the Venice fire and police departments and city officers are on file at the city hall after being presented to the council members.

In the first nine months of this year, 83 fires resulting in a total loss of \$6225 were reported. The loss included \$723 to buildings and \$2700 to contents. The per capita loss was \$1.85, and the average response was 15 minutes.

The police department reports 41 arrests in September. The treasurer's monthly report lists receipts of \$164 and disbursements of \$22,386.

A party was given for patients at the John Cochran Veterans Hospital Monday evening by the Disabled American Veterans Auxiliary.

Entertainment was furnished by an Edwardsville band, and cake and coffee was served to 83 veterans.

The committee in charge consisted of Mesdames Marie King, hospital chairman, Louise Schleiff, Lillian Heffery, and Irene Niehaus. Other parties are planned by the Auxiliary for the autumn and winter.

ENGAGED. Miss Patricia Ann Sexton, whose parents, Mr. and Mrs. Forrest Sexton, 2947 Marshall avenue, are announcing her betrothal to Lt. (j.g.) Loren L. Sanders, a son of Mr. Evelyn Sanders of Wood River, and Raymond V. Sanders of Miller, Mo.

MRS. JOHN MYSLAK, the former Dorothy Gavin, who was married Saturday at Sacred Heart Catholic Church. The bride is a daughter of Mr. and Mrs. Thomas Gavin, 2841 Fortune drive.

Mr. and Mrs. Edward Lenzi, 3225 Aubrey avenue, with their daughter, Barbara, and Anita Granville City returned this week after attending a three-day tour of the Northern Illinois Italy of the Fraternal Order of Eagles at Blue Island. Brown is a past state president of the Eagles. He plans to attend the Central Illinois Italy Oct. 19 and 20 at Decatur.

BETROTHED. Miss Pauline Snyder, 2028a Iowa street, whose mother, Mrs. Opal Snyder of Brookport, Ill., and father, Paul Snyder of Elgin, Ill., are announcing her engagement to Hewell Edward Smith, son of Mr. and Mrs. Leeper-Smith of Paducah, Ky.

Evening Guild Officers Installed

The newly-elected officers and members of the Evening Guild of Christ were installed by the pastor, Rev. Paul Surley, in a complimentary ceremony Monday evening.

They included Mrs. Helen Robertson, president; Mrs. Alice Prosser, vice-president; Mrs. Doris Labaree, secretary; Mrs. June Craig, treasurer; and committee chairmen as follows: Mrs. Alice Gottfried, spiritual life; Mrs. Joyce Schraeder, Christian education; Mrs. Dorothy Schaefer, sewing; Mrs. Wilma Willard, social action; Mrs. Thelma Stess, missionary education; and Mrs. Jessie Ogden, Christian service.

Mrs. Gottfried gave the devotions on the topic "My Heart An Altar." The speaker for the evening was a guest, Mrs. Fred Mifflin, who discussed "Japan, Its Customs and Its People." She returned recently from that country after visiting her daughter, a teacher in the schools there, and brought with her many mementos of her trip which she exhibited and described with the aid of slides.

Mrs. Stess was in charge of the program, and the birthdays of two members were observed. They were Mrs. Pearl Griffin and Mrs. Marie Holescher.

After adjournment, refreshments were served to 26 members and 12 guests by the committee composed of Mrs. Doris Oliver, Mrs. Dorothy Kirksey and Mrs. Wilma Willard.

ENTERTAINS FOR OUT-OF-TOWN GUEST

Mrs. Jeanne Rehnman, 2896 Myrtle avenue, entertained guests at a family dinner party Tuesday evening honoring Mrs. Ola Holm of Hooker, Okla., who is visiting relatives here this week.

Others present were Mrs. Margaret and Mrs. Mrs. John Schell.

Quartet Robs GC Man Of Car, \$100, Shoes

A Granite City man reported to East St. Louis police early Tuesday morning that his \$2600 car, \$100 and a \$10 pair of shoes were stolen from him.

Detectives said Robert J. Henkhaus, 37, of 121 Rivera drive, was rubbed after he went for a ride about 12:30 a.m. Tuesday with a man he met drinking in a Brooklyn tavern. Henkhaus told police they picked up two men and a woman who apparently knew the man with him. The victim said one of the men put a knife to his neck near the 1100 block of Fallme Springs avenue and the four robbed him.

Henkhaus was identified as an auditor for the Illinois Motor Fuel Tax Department.

GM Trend Brightens Future For Auto Frame Industry

Bright prospect for the auto frame industry was brightened by the announcement of a decision by General Motors to abandon unitized construction in favor of separate chassis frames for most of its compact automobiles was stressed by L. B. Smith, president of A. O. Smith, in the firm's annual report released this week.

N. R. Brink, manager of the local plant which manufactures standard-size Chevrolet frames, said the GM decision will not involve local production at this time, but that the announcement is "good news" to the firm.

In the annual report, it was brought out the American automobile industry reported close to record sales for the 1963 model year and recent public forecasts indicate a similar performance for 1964. "A. O. Smith's automotive customers were among those who experienced

Guest Speaker Sunday At Local Church

Rev. Joseph F. Springer, pastor of the West Alton Church of God, will speak Sunday morning at the First Church of God, 2904 Pershing avenue. The local pastor, Rev. G. Lewis Kujawski, will speak at the same time at the West Alton church in a pulpit exchange program designed to kickoff a special fund-raising campaign involving about 20 congregations in the Greater St. Louis area.

Each year the plan seeks donations toward a special project, giving a new church assistance with which to begin. A hope is that a new church can be started each year.

Sunday evening at 7 o'clock the church on Pershing avenue will show the film, "Lake A Mighty Army," which was produced by the home office in Anderson, Ind.
